**MOTION OF DEBTORS AND DEBTORS
IN POSSESSION FOR AN ORDER PURSUANT TO SECTIONS

¹ The Debtors in the jointly administered bankruptcy cases are comprised of the following fourteen entities (the last four digits of their respective U.S. taxpayer identification numbers follow in parentheses): NII Holdings, Inc. (1412); Nextel International (Services), Ltd. (6566); NII Capital Corp. (6843); NII Aviation, Inc. (6551); NII Funding Corp. (6265); NII Global Holdings, Inc. (1283); NII International Telecom S.C.A. The location of the Debtors' corporate headquarters and the Debtors' service address is: 1875 Explorer Street, Suite 800, Reston, VA 20190.

TO THE HONORABLE SHELLEY C. CHAPMAN
UNITED STATES BANKRUPTCY JUDGE:

NII Holdings, Inc. ("NII Holdings") and thirteen of its direct and indirect subsidiaries, as debtors and debtors in possession (collectively, the "Debtors"), respectfully represent as follows:

Preliminary Statement

1. The Debtors' entry into the current Plan Support Agreement (the "PSA"), which incorporates the agreed terms of a chapter 11 plan as reflected in the plan term sheet annexed thereto (the "Plan Term Sheet"), is a significant milestone in these cases and a positive step towards the Debtors' successful restructuring. Importantly, creditors holding over 70% of the senior unsecured notes issued by NII Capital Corp. (the "Capco Notes") and over 72% of the senior unsecured notes issued by NII International Telecom S.C.A. (the "Luxco Notes") are party to the PSA. In addition, the PSA is supported by the official committee of unsecured creditors appointed in these cases (the "Creditors' Committee"), which includes as members the indenture trustees for all series of the Notes² and the largest holders of Notes.

2. The PSA and the Plan Term Sheet reflect a settlement of complex inter-estate and inter-creditor disputes that have been the subject of extensive and vigorous negotiations beginning pre-petition and continuing post-petition, absent which these bankruptcy cases would require extensive and potentially prohibitively expensive litigation to the detriment of the Debtors' estates and all stakeholders. The Debtors believe that, through implementing the agreement set forth in the PSA and the Plan Term Sheet, they will be able to strengthen their balance sheet and emerge as a viable and competitive business in the coming months. Under the Plan Term Sheet, holders of the Capco Notes and the Luxco Notes will receive a combination of

² Capitalized terms not otherwise defined in this Motion have the meanings ascribed to them in the PSA or the Plan Term Sheet, as applicable.

(a) cash, representing a portion of the net proceeds received from the sale of the entirety of the Debtors' interest in their business in Mexico, and (b) equity interests in Reorganized NII. At the same time, the Debtors' estates will (a) avoid the incurrence of significant litigation cost and delay in connection with litigation of the Potential Litigation Claims (as defined below), (b) complete the consummation of the Sale Transaction (as defined below), (c) benefit from having obtained postpetition financing pending the closing of the Sale Transaction, (d) eliminate approximately \$4.35 billion of senior unsecured notes and (e) exit bankruptcy protection expeditiously and with sufficient liquidity to execute their business plan.

3. The Debtors have done exactly what they are supposed to do in the exercise of their fiduciary duties — they have driven their stakeholders to a resolution of the numerous complex issues in these chapter 11 cases that will allow the Debtors to emerge from bankruptcy in a value-maximizing manner. Significantly, certain of the Debtors creditors that had not joined the Prior PSA (as defined below) — specifically, the Luxco Group (as defined below) — now support the terms set forth in the PSA and the Plan Term Sheet. The Debtors firmly believe that the plan of reorganization contemplated by the PSA and the Plan Term Sheet provides the Debtors with the best opportunity to achieve confirmation after more than a year of protracted negotiations with their majority creditors and the Creditors' Committee, among others. Accordingly, the Debtors submit that it is a reasonable and appropriate exercise of their business judgment to enter into the PSA and fulfill their obligations thereunder to prosecute the First Amended Plan (as defined below).

Background

4. On September 15, 2014, certain of the Debtors (the "Original Debtors") commenced these cases by filing voluntary petitions for relief under chapter 11 of title 11 of the

United States Code (the "Bankruptcy Code"). On October 8, 2014 and January 25, 2015, five of the Original Debtors' affiliates also filed chapter 11 bankruptcy petitions in this District. All of the Debtors' chapter 11 cases have been consolidated for procedural purposes only and are being administered jointly.

5. The Debtors are authorized to continue to operate their business and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

6. On September 29, 2014 and November 5, 2014, the United States Trustee for the Southern District of New York, pursuant to sections 1102(a) and (b) of the Bankruptcy Code, appointed the Creditors' Committee to represent the interests of all unsecured creditors in these chapter 11 cases.

7. On November 24, 2014, the Debtors filed the first plan support agreement (the "Prior PSA") [Docket No. 249].

8. On December 22, 2014, the Debtors filed a plan of reorganization [Docket No. 322] (the "Prior Plan") and related disclosure statement [Docket No. 323] (the "Prior Disclosure Statement").

9. On January 26, 2015, the Debtors announced that they had reached agreement for the sale of their operations in Mexico, operated by non-debtor Comunicaciones Nextel de México, S.A. de C.V., to an affiliate of AT&T for \$1.875 billion, subject to (a) the approval of the Court and (b) regulatory approvals in Mexico (the "Sale Transaction"). As a result of the Sale Transaction, the Debtors began the process of negotiating amendments to the Prior Plan and the Prior Disclosure Statement with their major creditor constituencies.

10. On March 13, 2015, the Debtors filed the First Amended Plan (the "First Amended Plan") and the First Amended Disclosure Statement (the "First Amended Disclosure Statement") [Docket No. 527]. On March 23, 2015, the Bankruptcy Court approved the Sale Transaction [Docket No. 575].

11. NII Holdings is the ultimate parent and holding company for its debtor and non-debtor affiliates (such non-debtor affiliates, the "Non-Debtor Affiliates"). Certain of the Non-Debtor Affiliates provide wireless communication services under the Nextel™ brand name for businesses and consumers in Latin America.

12. Additional information regarding the background of the Debtors, the reasons for filing these cases and the Debtors' goals for these cases are set forth in the *Declaration of Daniel E. Freiman in Support of First Day Pleadings and in Accordance with Local Bankruptcy Rule 1007-2* [Docket No. 19].

Jurisdiction

13. This Court has subject matter jurisdiction to consider this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

Relief Requested

14. Pursuant to sections 105(a) and 363(b) of the Bankruptcy Code, the Debtors hereby seek the entry of an order in substantially the form annexed hereto as Exhibit A (the "Order"), authorizing the Debtors to enter into and perform their obligations under the Plan Support Agreement attached as Exhibit 1 to the Order. The Debtors also request, to the extent it applies, a waiver of any stay of the effectiveness of the Order under Bankruptcy Rule 6004(h). In support of the relief requested herein, the Debtors submit the Declaration of Scott W. Winn

(the "Winn Declaration") attached hereto as Exhibit B and Homer Parkhill (the "Parkhill Declaration") attached hereto as Exhibit C.

Facts Relevant to this Motion

The Negotiation of the Prior PSA and the Debtors' Proposed Restructuring

15. On November 24, 2014, the Debtors provided notice to parties in interest of a major milestone in these chapter 11 cases — the Debtors' entry into the the Prior PSA.³ Attached as an exhibit to the Prior PSA was a plan term sheet (the "Prior Plan Term Sheet") setting forth the material terms of the proposed restructuring of the Debtors pursuant to the Prior Plan.

16. On December 22, 2014, the Debtors filed the *Motion of Debtors and Debtors in Possession for an Order Pursuant to Sections 105(a) and 363(b) of the Bankruptcy Code Authorizing Them to Enter Into and Perform Under a Plan Support Agreement* [Docket No. 320] (the "Prior PSA Motion"), as well as the Prior Disclosure Statement and certain other related pleadings, contemporaneously therewith. In brief, as described in further detail in the Prior Disclosure Statement, the Prior Plan provided for (a) the conversion of the outstanding senior unsecured notes (the "Notes" and, the holders thereof, "Noteholders")⁴ issued by Capco and Luxco — totaling \$4.35 billion — into equity interests in Reorganized NII, (b) a proposed settlement of certain disputed inter-estate and inter-debtor claims and disputed third party

³ See *Notice of Filing of Plan Support Agreement and Plan Term Sheet* [Docket No. 249].

⁴ The Notes are comprised of: (a)(i) \$800 million in principal amount of 10% senior unsecured Notes due in 2016 (the "Capco 2016 Notes"); (ii) \$500 million in principal amount of 8.875% senior unsecured Notes due in 2019 (the "Capco 2019 Notes"); and (iii) \$1.45 billion in principal amount of 7.625% senior unsecured Notes due in 2021 (the "Capco 2021 Notes" and, together with the Capco 2016 Notes and the Capco 2019 Notes, the "Capco Notes"), all of which were issued by NII Capital Corp. ("Capco") and guaranteed by certain of the other Debtors; and (b)(i) \$900 million in principal amount of 11.375% senior unsecured Notes due in 2019 (the "Luxco 11.375% Notes"); and (ii) \$700 million in principal amount of 7.875% senior unsecured Notes due in 2019 (the "Luxco 7.875% Notes" and, together with the Luxco 11.375% Notes, the "Luxco Notes"), all of which were issued by NII International Telecom S.C.A. ("Luxco") and guaranteed by NII Holdings.

creditor claims (the "Potential Litigation Claims") and (c) \$500 million in new capital to support the continued turnaround of the Debtors' business.

17. Party to the Prior PSA were four of the Debtors' major creditor constituencies: (a) entities managed by Capital Research and Management Company ("Capital Group"), (b) entities managed by Aurelius Capital Management, LP ("Aurelius"); (c) American Tower Corporation, American Tower do Brasil - Cessao de Infraestruturas Ltda. and MATC Digital S. de R.L. de C.V. (collectively, "ATC"); and (d) the Creditors' Committee, which was also a co-proponent with the Debtors of the Prior Plan. Together, Aurelius and Capital Group were holders of \$1.8 billion, or 66%, of the Capco Notes and \$562 million, or 36%, of the Luxco Notes. ATC, which is party to a variety of agreements related to NII's cellular tower leases, is a significant contract counterparty of the Debtors and their Non-Debtor Affiliates.

18. The Prior PSA and the Prior Plan were the result of months of intense and continuous negotiations between the Debtors and various parties in interest that began in March 2014, six months prior to the commencement of the majority of these cases on September 15, 2014. Such negotiations involved an active, frequent and cooperative dialogue with various holders of Notes and their respective professionals over the key components of the Debtors' restructuring and the holders' respective due diligence efforts. (See Parkhill Decl. [Docket No. 321] ¶¶ 4-13.)

19. These negotiations were informed by, among other things, allegations regarding certain intercompany transactions (a) between and among the Debtors and (b) between and among the Debtors and certain of the Non-Debtor Affiliates, which transactions are now the subject of the Potential Litigation Claims. The Potential Litigation Claims fall into three principal categories: (x) claims arising from certain alleged fraudulent transfers between Debtors

or between a Debtor and a Non-Debtor Affiliate (the "Avoidance Claims"); (y) claims related to the recharacterization of certain intercompany liabilities as equity (the "Recharacterization Claims"); and (z) claims related to an alleged violation of the indentures governing the Capco 2016 Notes and Capco 2019 Notes caused by the transfer of equity interests of the Transferred Guarantors from NII Global Holdings, Inc. and the purported release of the Transferred Guarantors' guarantees of the Capco 2016 Notes and Capco 2019 Notes (the "Transferred Guarantor Claims").

20. As part of the negotiations with various constituencies both before and after the Petition Date, the Debtors established an electronic data room and provided tens of thousands of documents related to the Potential Litigation Claims to professionals representing each of Aurelius, Capital Group and the Creditors' Committee. Such documentation also was made available to the professionals representing the Ad Hoc Committee of Luxco Holders (the "Luxco Group").⁵

21. The Debtors worked tirelessly to broker a deal amongst the competing creditor constituencies in these cases — namely, Aurelius, Capital Group and the Luxco Group (the latter acting through its professional advisors, Kirkland & Ellis LLP and Millstein & Co., L.P.). Likewise, since its appointment, the Creditors' Committee undertook a comprehensive and independent investigation of the Potential Litigation Claims and joined the Debtors in their efforts to broker a resolution that could lead to a confirmable chapter 11 plan.

22. Based on their respective independent analyses of the Potential Litigation Claims, both the Debtors and the Creditors' Committee determined that litigation of the Potential Litigation Claims would be lengthy, expensive, complex and challenging to bring to final

⁵ Shortly before the Petition Date, the Luxco Group withdrew from a larger group of holders of the Notes with whom the Debtors had been negotiating and retained separate legal and financial advisors.

resolution during the course of these cases. As discussed in greater detail in the Prior Disclosure Statement (and the First Amended Disclosure Statement), certain of the Potential Litigation Claims — including the Avoidance Claims and Recharacterization Claims — are also highly fact-based and would require significant evidence and expert testimony if brought to trial.

23. While the Creditors' Committee's investigation of the Potential Litigation Claims and other matters related to the Debtors' restructuring was ongoing, the Debtors were negotiating the terms of a chapter 11 plan simultaneously but separately with (a) Aurelius and Capital Group and (b) the Luxco Group and Capital Group, including the exchange of multiple plan term sheets and settlement proposals. The Debtors made known to the various creditor constituencies, as well as this Court, that they were negotiating these two proposals in parallel.⁶

24. At that time, the Debtors determined, in their business judgment in light of then-prevailing circumstances, that the Prior PSA offered the best prospect for success, not only because of the support of important creditor constituencies, including the Creditors' Committee, but also because the alternative proposals did not, from the Debtors' perspective, provide a clear path toward confirmation and lacked the requisite creditor support to confirm a plan.

25. Accordingly, on November 24, 2014, the board of directors of NII Holdings (the "Board") approved the Debtors' entry into the Prior PSA with Aurelius, Capital Group, the other Consenting Parties (as defined in the Prior PSA) and the Creditors' Committee.⁷

⁶ See Hr'g Tr. 7:8–17, Oct. 14, 2014 ("[I]n the spirit of transparency, I will say the debtors do have two proposals on the table One from our Luxco group . . . and the other [Aurelius/Capital Corp.] proposal").

⁷ Other than the Debtors' chief executive officer, the Board is comprised entirely of members who are (a) "independent" in accordance with the listing rules of the NASDAQ Stock Market, as amended from time to time, (b) "non-employee directors" for purposes of Rule 16b-3 under the Securities Exchange Act of 1934 and (c) "outside directors" for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended.

The Sale and Renewed Negotiations Leading to the PSA

26. As noted above, on January 26, 2015, the Debtors announced a game changing event — an agreement to sell NII Mexico for \$1.875 billion to an affiliate of AT&T. That same day, Capital Group, Aurelius and the Creditors' Committee stipulated to support the Sale Transaction.

27. Because the Sale Transaction reflected a significant departure from the economics and structure that were the basis for the Prior Plan Term Sheet and the Prior Plan, the Debtors exercised their right to terminate the Prior PSA on January 25, 2015. Immediately thereafter, the Debtors reengaged with their major stakeholders in an effort to gain support for consensual modifications to the Prior Plan that would take into account the impact of the Sale Transaction and allow the Debtors to emerge from chapter 11. Accordingly, the Debtors withdrew the Prior PSA Motion on February 4, 2015 [Docket No. 426].

28. The renewed negotiations were extensive and included the exchange of multiple plan term sheets and settlement constructs between the parties before ultimate agreement was reached on the PSA and the Plan Term Sheet.

29. The key terms of the PSA and the Plan Term Sheet, and key differences as compared to the Prior PSA and Prior Plan Term Sheet, are as follows. The PSA:

(a) provides improved recoveries over the Prior PSA for all Capco and Luxco Noteholders in the following approximate amounts (see Plan Term Sheet; Prior Plan Term Sheet):

(i) Capco 2016 Noteholders - \$41 million (or 11% over the Prior Plan);⁸

⁸ The figures in this sub-clause (i) and the subsequent sub-clauses (ii) through (v) have been calculated before taking into account the rights offering contemplated under the Prior Plan. Taking into account such rights offering, these improved recoveries and percentages are as follows: \$40 million, or 10%, for the Capco 2016 Noteholders; \$23 million, or 10%, for the Capco 2019 Noteholders; \$139 million, or 47%, for the Capco 2021 Noteholders; \$117 million, or 14%, for the Luxco 11.375% Noteholders; and \$88 million, or 14%, for the Luxco 7.875% Noteholders.

- (ii) Capco 2019 Noteholders - \$24 million (or 11% over the Prior Plan);
 - (iii) Capco 2021 Noteholders - \$169 million (or 63% over the Prior Plan);
 - (iv) Luxco 11.375% Noteholders - \$89 million (or 10% over the Prior Plan);
 - (v) Luxco 7.875% Noteholders - \$68 million (or 10% over the Prior Plan);
- (b) encompasses a full and final settlement of the Potential Litigation Claims to the benefit of all stakeholders (see Plan Term Sheet);
 - (c) secures Consenting Noteholder support of the Sale Transaction (PSA § 4.01);
 - (d) permits the Debtors' entry into an exit financing agreement sourced from the marketplace, subject to certain conditions (PSA § 7.01(f)); and
 - (e) eliminates \$4.35 billion in debt from the Debtors' balance sheet (see Plan Term Sheet).

And, unlike the Prior PSA, the PSA:

- (a) provides not only improved recoveries, as noted above, but also recoveries that include cash distributions (see Plan Term Sheet);
- (b) permits postpetition financing pending the closing of the Sale Transaction (see Plan Term Sheet);
- (c) reduces recoveries to holders of Transferred Guarantor Claims, which are now being calculated as if 21% (as opposed to 27.5% under the Prior PSA) of each Transferred Guarantor's guarantees of the Capco 2016 and Capco 2019 Notes remained in place (see Plan Term Sheet; Prior Plan Term Sheet); and
- (d) has the support of the Luxco Group (see PSA).

30. The Plan Term Sheet also incorporates the terms of a \$350 million first priority debtor-in-possession loan (the "Bridge Loan"), which was being negotiated concurrently with the PSA and Plan Term Sheet and will provide incremental liquidity to ensure both that the Sale Transaction will close and that the Debtors will have sufficient liquidity in the event of any unforeseen regulatory delays. As set forth in the Bridge Loan term sheet dated March 5, 2015, attached as Exhibit A to the Plan Term Sheet, the members of the Luxco Group agreed to provide 65% of the Bridge Loan, with Capital Group and Aurelius providing 20.56% and

14.44% of the Bridge Loan, respectively. The Debtors filed the *Motion of Debtors and Debtors in Possession for an Order, Pursuant to 11 U.S.C. §§ 105, 363, 363 and 364, Rules 4001 and 9014 of the Federal Rules of Bankruptcy Procedure and Rule 4001-2 of the Local Bankruptcy Rules for the Southern District of New York: (a) Authorizing Debtors to Obtain Postpetition Financing and (b) Granting Related Relief* [Docket No. 507] on March 5, 2015. The Court entered the *Order, Pursuant to 11 U.S.C. §§ 105, 363, 363 and 364, Rules 4001 and 9014 of the Federal Rules of Bankruptcy Procedure and Rule 4001-2 of the Local Bankruptcy Rules for the Southern District of New York: (a) Authorizing Debtors to Obtain Postpetition Financing and (b) Granting Related Relief* [Docket No. 573] on March 23, 2015.

31. Ultimately, the Debtors concluded that the Plan Term Sheet represents the best path forward, not only because it is supported by the Creditors' Committee, which is a co-proponent of the Plan (together with the Debtors, the "Plan Proponents"), and important creditor constituencies comprising holders of over 70% in amount of the Capco Notes and approximately 72% in amount of the Luxco Notes, but also, importantly, because it has advantages over other constructs that had been considered by the Debtors and other creditor groups in the negotiations that had taken place over the course of nearly a year. For example, the Plan Term Sheet:

- contemplates the complete and final settlement of the Potential Litigation Claims, eliminating the cost and delay of litigating those claims to conclusion and the risk that key amendments with the Debtors' local lenders in Brazil would begin to unravel or lead to defaults before such litigation could be resolved;⁹

⁹ The lenders with which the Debtors and NII Brazil have reached agreements are Banco do Brasil S.A. ("BdB") and Caixa Econômica Federal ("Caixa"), NII Brazil's two major local lenders, and China Development Bank Corp. ("CDB"). The amendments to the agreements with BdB and Caixa, which provide covenant and other relief that are necessary for the Debtors' successful reorganization, may not become effective if the Debtors fail to meet certain requirements, including their emergence from chapter 11 by September 15, 2015. Similarly, the amendment reached with CDB is dependent upon the Debtors' ability to provide CDB with a guarantee, upon emerging from chapter 11, by September 30, 2015. Accordingly, the failure of the Debtors to emerge from bankruptcy by September 15, 2015 could cause NII Brazil to be in default of or lose certain concessions with respect to such lending and credit agreements.

- represents significant concessions by the Luxco Group, including the relinquishment of the right to receive (i) a greater proportion of their recoveries from the cash proceeds of the Sale Transaction, (ii) potential accrued postpetition interest on their claims and (iii) any additional recovery on account of their claims in the event of a higher and better bid that exceeds the Plan Distributable Value (as defined in the Plan Term Sheet);
- provides for the prompt distribution to Holders of their full entitlement to equity in Reorganized NII without restrictions or delay due to holding some or all of such equity in reserve as would be necessary if the Potential Litigation Claims were to be litigated;
- permits postpetition financing pending the closing of the Sale Transaction; and
- allows the reorganized Debtors to seek market-tested exit financing, which would allow them to raise exit capital with less cost, at better rates and on better terms.

Perhaps most significantly, the PSA, to which the Luxco Group is now a party, is supported by holders of over 70% in amount of the Capco Notes and approximately 72% in amount of the Luxco Notes — a supermajority of the Debtors' creditors that exceeds the "two-thirds in amount" requirement of section 1126(c) of the Bankruptcy Code. Accordingly, the Debtors believe the PSA establishes the framework for obtaining the necessary creditor support for plan confirmation and provides them with a clear path towards confirming a chapter 11 plan and expeditiously emerging from these chapter 11 cases.

32. Thus, on March 5, 2015, the Board of NII Holdings approved the Debtors' entry into the PSA with Aurelius, Capital Group and the Luxco Group (the "Requisite Consenting Noteholders") and the Creditors' Committee. The board of managers (the "Board of Managers") of NII International Holdings S.à r.l., in its capacity as sole manager of Luxco, and the board of directors of Capco (the "Capco Board") also approved Luxco's and Capco's entry into the PSA on February 25, 2015 and February 27, 2015, respectively.

33. In accordance with the terms of the PSA, on March 13, 2015, the Debtors filed the First Amended Plan and First Amended Disclosure Statement and certain other

pleadings related to consummating the restructuring contemplated by the PSA. The First Amended Disclosure Statement fully describes the Proposed Settlement and the proposed treatment of claims and equity interests under the First Amended Plan. The First Amended Plan, which, among other things, embodies the Proposed Settlement, is subject to confirmation in accordance with the requirements of the Bankruptcy Code, and constitutes a motion to approve the Proposed Settlement pursuant to Bankruptcy Rule 9019, which will be heard in connection with the confirmation of the First Amended Plan.

The Proposed Settlement and the Independent Manager

34. As the Court is aware, Scott W. Winn (the "Independent Manager") was appointed as a Class C Manager to the Board of Managers to review the Proposed Settlement and, on behalf of Luxco, either (a) confirm the reasonableness of, and recommend to the Board of Managers that it cause Luxco to join in, the Proposed Settlement pursuant to Bankruptcy Code section 1123(b)(3) and Federal Rule of Bankruptcy Procedure 9019 or (b) state his recommendation to the Board of Managers that Luxco not join in the Proposed Settlement. See So-Ordered Stipulation Regarding the Appointment and Scope of the Independent Manager for NII International Telecom S.C.A. [Docket No. 293].¹⁰

35. Upon his appointment, the Independent Manager, with the assistance of his retained legal counsel Quinn Emanuel Urquhart & Sullivan, LLP ("Quinn Emanuel") and Zolfo Cooper Management, LLC ("Zolfo Cooper"), immediately commenced the process of reviewing the Proposed Settlement and documentation related to the Transferred Guarantor Claims, Avoidance Claims and Recharacterization Claims. This included meeting with the professionals for the Debtors, the Creditors' Committee, Aurelius, Capital Group and the Luxco Group in order

¹⁰ As a result of the Sale Transaction and renewed negotiations relating to the PSA, between January 26, 2015 and February 20, 2015, the Bankruptcy Court entered a series of stipulations resulting in the ultimate extension of the Independent Manager's determination to February 27, 2015.

to facilitate fact discovery and understand the parties' respective positions with respect to the Potential Litigation Claims.

36. On February 25, 2015, the Board of Managers convened a meeting of its managers in Luxembourg. At the meeting the Independent Manager communicated his informed analysis of the Proposed Settlement and recommended to the Board of Managers to cause Luxco to enter into the Proposed Settlement that is embodied in the PSA and the Plan Term Sheet. As noted above, the Board of Managers subsequently authorized Luxco's entry into the PSA and pursuit of confirmation of chapter 11 plan consistent with the terms of the Plan Term Sheet. The Winn Declaration, attached hereto as Exhibit B, provides the Independent Manager's account of these events.

Terms of the PSA

37. The material terms of the PSA are set forth below.¹¹

38. Consenting Noteholders' Support of the First Amended Plan. Subject to the terms of the PSA, each Consenting Noteholder has agreed to, subject to, in some instances, receipt by such Consenting Noteholder of the First Amended Disclosure Statement and other Solicitation Materials that are subsequently approved by the Bankruptcy Court as complying with section 1126(b) of the Bankruptcy Code:

- (a) to the extent solicited, timely vote or cause or direct to be voted all of its Claims (as defined in the Bankruptcy Code) in favor of the Plan by delivering its duly executed and completed ballot or ballots accepting such Plan on a timely basis following the commencement of the solicitation;
- (b) not change or withdraw (or cause or direct to be changed or withdrawn) such vote;

¹¹ Reference is made to the PSA for a complete description of its terms. To the extent any excerpts, summaries and/or descriptions of the relationships of the parties and the terms of the PSA contained in the Motion differ in any way from that contained in the PSA, the PSA shall govern. Capitalized terms used in this section and not otherwise defined have the meaning given to them in the PSA.

- (c) not directly or indirectly object to, delay, impede or take any other action to materially interfere with acceptance, confirmation, consummation, or implementation of the Plan;
- (d) not directly or indirectly seek, solicit, encourage, formulate, consent to, propose, file, support, negotiate, participate in, or vote for any restructuring, workout, plan of reorganization or liquidation, proposal, offer, dissolution, winding up, liquidation, reorganization, merger, consolidation, business combination, joint venture, partnership, or sale of assets of or in respect of the Company other than the Plan or the Sale Transaction;
- (e) not directly or indirectly take an action to direct the Indenture Trustees (as applicable) to undertake any action that a Consenting Noteholder is otherwise prohibited from undertaking pursuant to Sections 3.01 (c) or (d) of the PSA; provided, however, that to the extent a Consenting Noteholder chooses to direct an Indenture Trustee to not undertake an action that a Consenting Noteholder is otherwise prohibited from undertaking pursuant to Sections 3.01 (c) and (d) of the PSA, such direction shall not be construed in any way as requiring any Consenting Noteholder to provide an indemnity to the applicable Indenture Trustee, or to incur or potentially incur any other liability in connection with such direction;
- (f) not directly or indirectly object to, delay, impede or take any other action to materially interfere with consummation of the Sale Transaction; and
- (g) take any and all reasonably necessary and appropriate actions in furtherance of the Restructuring and the transactions contemplated under the Plan Term Sheet, the Plan, and the Plan Documents and the Sale Documents.

39. The Debtors' Commitments under the PSA. Subject to the Debtors'

fiduciary duties under applicable law and Section 11.01 of the PSA, for so long as the PSA has not been terminated in accordance with its terms, the Debtors have agreed to use their commercially reasonable efforts to:

- (a) subject to its obligations under the Stalking Horse Purchase Agreement of Purchase Agreement (as applicable), operate their business in the ordinary course, including, but not limited to, maintaining their accounting methods, using their commercially reasonable efforts to preserve their assets and their business relationships, continuing to operate their billing and collection procedures, and maintaining their business records in accordance with their past practices;
- (b) seek entry by the Bankruptcy Court of the Sale Order, and afford reasonable opportunity to review and comment on modifications to the Proposed Sale

Order to the respective legal advisory for the Committee and the Consenting Noteholders in advance of the final submissions of such order;

- (c) conduct the auction (if any) in accordance with the Bidding Procedures;
- (d) consummate the Sale Transaction and obtain approval of the Sale Order, including in accordance with the Bidding Procedures;
- (e) take any and all actions that the Company determines to be reasonably necessary to consummate the Sale Transaction;
- (f) assist the Purchaser, as reasonably necessary, in obtaining any and all, and obtain its own (if any), required regulatory approvals and material third-party approvals for the Sale Transaction;
- (g) consummate the Sale Transaction in a tax-efficient manner;
- (h) prepare and file this Motion seeking an order from the Bankruptcy Court authorizing the Debtors' entry into the PSA, and afford reasonable opportunity to comment and review to the respective legal advisors for the Creditors' Committee and the Consenting Noteholders in advance of the filing of this Motion;
- (i) timely file, and provide the Creditors' Committee and the Consenting Noteholders with a draft of such objection at least two (2) business days prior to filing, a formal objection to any motion filed with the Bankruptcy Court by a third party seeking the entry of an order (i) converting the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code, (ii) dismissing the Chapter 11 Cases; (iii) modifying or terminating the Debtors' exclusive right to file and/or solicit acceptances of a plan of reorganization; (iv) directing the appointment of a trustee pursuant to section 1104 of the Bankruptcy Code; or (v) directing the appointment of an examiner pursuant to section 1104 of the Bankruptcy Code, the appointment of which has not been consented to by the Creditors' Committee and each of the Requisite Consenting Noteholders;
- (j) not request entry of a Sell-Down Order as such term is defined in the *Final Order (I) Establishing Notice and Objection Procedures for Transfers of Equity Securities, (II) Establishing a Record Date for Notice and Sell-Down Procedures for Trading in Claims Against the Debtors' Estates and (III) Granting Related Relief* [Docket No. 138] without the consent of the Creditors' Committee and each of the Requisite Consenting Noteholders; and
- (k) if the Debtors know or should know of a breach by any Debtor in any respect of the obligations, representations, warranties or covenants of the Debtors set forth in the PSA, furnish prompt written notice (and in any event within three (3) business days of such actual knowledge) to the Consenting Noteholders.

40. The Plan Proponents' Commitments under the PSA. Subject to each of the Plan Proponents' respective fiduciary duties under applicable law and Sections 11.01 and 11.02 of the PSA and for so long as the PSA has not been terminated in accordance with its terms, each of the Plan Proponents agrees to use its commercially reasonable efforts to:

- (a) prepare the Plan Documents and any related documents, and distribute such documents concurrently to the Consenting Noteholders, and afford reasonable opportunity to comment and review to the respective legal and financial advisors for the Consenting Noteholders in advance of any filing thereof;
- (b) support and complete the Restructuring and all transactions contemplated under the Plan Term Sheet, the Plan and the Plan Documents;
- (c) take any and all necessary and appropriate actions in furtherance of the Restructuring and the transactions contemplated under the Plan Term Sheet, the Plan and the Plan Documents, including, without limitation, taking any and all actions necessary to consummate the Restructuring in any applicable jurisdictions other than the United States;
- (d) complete the Restructuring and all transactions contemplated under the Plan Term Sheet, the Plan and the Plan Documents within the applicable timeframes provided therefor in the PSA; and
- (e) take no actions inconsistent with the PSA or the Plan Term Sheet, or that would delay or impede the solicitation, confirmation or consummation of the Plan, including the soliciting or causing or allowing any of their agents or representatives to solicit any agreements relating to any chapter 11 plan or restructuring transaction other than the Plan (an "Alternative Transaction"); provided, however, that the Sale Transaction or the Debtors' solicitation of interest in, and the negotiation of one or more agreements relating to, a sale of the Debtors' or their subsidiaries' assets, including the marketing and solicitation of bids for the sale any of their assets pursuant to section 363 of the Bankruptcy Code as contemplated by the Plan Term Sheet, and/or negotiation and consummation of amendments or a restructuring of indebtedness owed by its non-Debtor affiliates, in each case, shall not itself constitute an Alternative Transaction.

41. Debtors' Fiduciary Out. Notwithstanding anything to the contrary in the PSA, (a) nothing in the PSA shall require the Company or its subsidiaries or affiliates or any of its or their respective directors or officers (in such person's capacity as a director or officer) to take any action, or to refrain from taking any action, to the extent that taking such action or

refraining from taking such action would be inconsistent with, or cause such party to breach, such party's fiduciary obligations under applicable law, and (b) the Debtors and their boards of directors shall be entitled to take any action in connection with the Sale Transaction and continue to market and solicit bids for the sale any of their assets pursuant to section 363 of the Bankruptcy Code in the interest of maximizing the value of the Debtors' estates, consistent with their fiduciary obligations.

42. Creditors' Committee Fiduciary Out. Under the PSA, the Creditors' Committee may withdraw from and no longer remain bound by the PSA in the event it determines that proceeding with the transactions contemplated by the PSA would be inconsistent with the continued exercise of its fiduciary duties. If the Creditors' Committee determines to exercise its fiduciary out, the PSA will remain binding on the remaining parties thereto.

43. Payment of Certain Fees and Expenses. In accordance with the terms of the PSA, and to the extent not previously authorized by separate court order, the Debtors will pay the reasonable and documented fees and expenses of (i) Akin Gump Strauss Hauer & Feld LLP ("Akin"), (ii) Paul, Weiss, Rifkind, Wharton & Garrison LLP ("Paul Weiss"), (iii) Blackstone Advisory Partners, L.P. ("Blackstone"), (iv) Houlihan Lokey Capital, Inc. ("HL"), (v) Robbins, Russell, Englert, Orseck, Untereiner & Sauber LLP ("Robins Russell"), (vi) Kirkland & Ellis LLP ("Kirkland" and, together with Akin and Paul Weiss, "RCN Counsel") and (vii) Millstein & Co. ("Millstein") (in accordance with their applicable engagement letters, as such letters have been amended) in full in cash, provided, however, that the fees and expenses payable by the Debtors to Robins Russell, Kirkland, Millstein, Blackstone and HL are subject to certain restrictions and caps (the "Fees and Expenses of Requisite Consenting Noteholders").¹²

¹² The reasonable and documented fees and expenses payable by the Debtors of (v) Robbins Russell shall not exceed \$150,000, (w) Kirkland shall not exceed \$4,500,000, (x) Millstein shall not exceed \$4,000,000,

44. Termination by the Parties. The PSA may be terminated (a) upon the mutual consent of the Plan Proponents and each of the Requisite Consenting Noteholders or (b) by either of the Plan Proponents or any of the Requisite Consenting Noteholders upon two (2) business days' prior written notice delivered to the other Parties upon the occurrence of any of the following events (each a "Termination Event"); provided, however, that the PSA may be terminated solely (x) by the Creditors' Committee or any of the Requisite Consenting Noteholders upon the occurrence of the Termination Events set forth in clauses (a), (e), (f), (i)-(p) below and (y) by any of the Requisite Consenting Noteholders upon the occurrence of the Termination Event set forth in clause (g) below:

- (a) the public announcement by the Company of its intention not to pursue the Restructuring or the Sale Transaction, or the Company's acceptance of an Alternative Transaction;
- (b) following the delivery of written notice thereof by a non-breaching Party, the occurrence of a material breach by any of the Parties of any of its obligations, representations, warranties, covenants or commitments set forth in the PSA that is either unable to be cured or is not cured within five (5) business days following the delivery of such notice;
- (c) the issuance by any court of competent jurisdiction or other competent governmental or regulatory authority of an order making illegal or otherwise restricting, preventing or prohibiting the Restructuring or the Sale Transaction or causing a material adverse effect on the economics terms of the Restructuring or the Sale Transaction, taken as a whole, in each case, in a manner that cannot reasonably be remedied by the Company;
- (d) the appointment in the Bankruptcy Cases of a trustee or receiver (but not the Independent Manager), the conversion of the Bankruptcy Cases to cases under chapter 7 of the Bankruptcy Code, or the dismissal of the Bankruptcy Cases by order of the Bankruptcy Court;
- (e) the Debtors' entry into any postpetition financing agreement in form and substance not reasonably acceptable to the Committee and each of the Requisite Consenting Noteholders;

(y) Blackstone, only with respect to its restructuring and discretionary fees, shall not exceed \$3,000,000, and (z) HL, only with respect to its restructuring fee, shall not exceed \$7,000,000.

- (f) the Debtors' entry into any exit financing agreement in form and substance not reasonably acceptable to the Committee, Capital Group and Aurelius, and subject to the consent of the Luxco Group not to be unreasonably withheld, conditioned or delayed; provided, however, the Debtors shall consult with the Luxco Group regarding the proposed exit financing and the negotiation of the terms thereof and the final terms and conditions of such exit financing will be subject to the consent of the Luxco Group, such consent not to be unreasonably withheld, conditioned or delayed; provided, further, that if Capital Group or Aurelius participates in the exit financing, such financing shall be on terms and conditions reasonably acceptable to each of the Plan Proponents and each of the Requisite Consenting Noteholders;
- (g) (i) any modification of the draft Brazil Bank Amendments dated February 13, 2015 delivered to the Requisite Consenting Noteholders on or before February 26, 2015, (ii) any CDB Amendments entered into after December 18, 2014 (including any amendments, restatements, modifications or refinancings of any CDB Amendments entered into prior to December 18, 2014), and (iii) the entry into any other agreement relating to the financing of the Debtors' operating subsidiaries, in each case, that is in form and substance not reasonably acceptable to Aurelius and Capital Group, and subject to the consent of the Luxco Group not to be unreasonably withheld, conditioned or delayed;
- (h) the entry by the Bankruptcy Court of an order terminating the Debtors' exclusive right to file a plan of reorganization pursuant to Bankruptcy Code section 1121;
- (i) the failure of the Debtors to have sought, in connection with their motion for approval of postpetition financing, authority to pay in full in cash the reasonable fees and expenses of each RCN Counsel (A) incurred through the date of the order approving such motion (the "DIP Financing Order"), with such payment to be made to Akin and Kirkland expeditiously after entry of the DIP Financing Order and receipt of the relevant invoices for such fees and expenses and to Paul Weiss on the Effective Date following the receipt of invoices for such fees and expenses, and (B) incurred from the date of the DIP Financing Order through the Effective Date, with such payment to be made to each RCN Counsel on the Effective Date, in each case, subject to the limitations set forth in Section 4.01(j) of the PSA;
- (j) the failure of the Plan Proponents to have filed the Disclosure Statement and the Plan with the Bankruptcy Court by March 13, 2015;
- (k) the failure of the Plan Proponents to have filed the PSA Motion with the Bankruptcy Court by March 24, 2015;¹³

¹³ This date was previously set for March 13, 2015, but was modified pursuant to the amendment and modification provisions of the PSA.

- (l) the failure of the Bankruptcy Court to have entered the Sale Order by March 24, 2015;
- (m) the failure of the Bankruptcy Court to have entered an order approving the Disclosure Statement by April 20, 2015;
- (n) the failure of the Bankruptcy Court to have commenced a hearing on the confirmation of the Plan on or before June 3, 2015;
- (o) the failure of the Bankruptcy Court to have entered the Confirmation Order and the PSA Order on or before June 12, 2015;
- (p) the failure of the Plan Effective Date to have occurred by June 26, 2015 unless the only remaining conditions to the consummation of the Sale Transaction are the receipt of all governmental approvals for the Sale Transaction and the completion of deliveries that are required to be made at the closing of the Sale Transaction by the respective parties to the Purchase Agreement;
- (q) the failure to have consummated the Sale Transaction by September 30, 2015;
- (r) the amendment or modification of any of the Sale Documents, the Plan or Disclosure Statement in a manner that is materially adverse to any of the Plan Proponents or any of the Requisite Consenting Noteholders and is not otherwise reasonably acceptable to each of the Plan Proponents and each of the Requisite Consenting Noteholders;
- (s) any of the orders approving the PSA, the Sale Transaction (including the Bidding Procedures Order and the Sale Order), the Disclosure Statement, or the Confirmation Order is reversed, stayed, dismissed, vacated, reconsidered or is materially modified or materially amended after entry in a manner that is not reasonably acceptable to any of the Plan Proponents and each of the Required Consenting Noteholders; or
- (t) the determination by the NII Holdings' board of directors that (i) proceeding with the transactions contemplated by the PSA would be inconsistent with the continued exercise of its fiduciary duties, or (ii) having received a proposal or offer for an Alternative Transaction, that such Alternative Transaction is likely to be more favorable than the Plan and that continued support of the Plan pursuant to the PSA would be inconsistent with its fiduciary obligations.

45. Automatic Termination. The PSA shall terminate automatically without further required action or notice upon the Plan Effective Date.

46. As of the date of this Motion, the PSA is already effective as among the Requisite Consenting Noteholders, and will be effective as to the Debtors upon entry of the Order approving this Motion.

Basis for Relief Requested

*The Debtors' Entry into the PSA Should be Approved
Pursuant to Sections 105(a) and 363(b) of the Bankruptcy Code.*

47. Out of an abundance of caution, and as required under the terms of the PSA, the Debtors are seeking approval of their entry into the PSA by the Court.¹⁴ To the extent it may be applicable, the Debtors believe that their entry into, and performance under, the PSA is a sound exercise of business judgment that should be approved pursuant to section 363(b) of the Bankruptcy Code.

48. Under section 363(b)(1) of the Bankruptcy Code, the Court may authorize a debtor in possession to "use, sell or lease, other than in the ordinary course of business, property of the estate." 11 U.S.C. § 363(b)(1). A debtor-in-possession's decision to use, sell, or lease assets outside the ordinary course of business must be based upon its sound business judgment. See Comm. of Equity Sec. Holders v. Lionel Corp. (In re The Lionel Corp.), 722 F.2d 1063, 1070 (2d Cir. 1983) (requiring an "articulated business justification"); Comm. of Asbestos-Related Litigants v. Johns-Manville Corp. (In re Johns-Manville Corp.), 60 B.R. 612, 616 (Bankr. S.D.N.Y. 1986) ("Where the debtor articulates a reasonable basis for its business decisions (as

¹⁴ Generally, courts in this District have held that a debtor's entry into a plan support agreement, in and of itself, does not need to be approved pursuant to section 363(b) of the Bankruptcy Code because a debtor's right to negotiate and file a plan does not implicate property of a debtor's estate. See, e.g., Trans World Airlines, Inc. v. Texaco, Inc. (In re Texaco, Inc.), 81 B.R. 813, 818 (Bankr. S.D.N.Y. 1988) ("In sum, 11 U.S.C. § 363(b)(1) simply has no application to the Stipulation which Texaco and Pennzoil negotiated in furtherance of the goal of effecting a confirmed plan or reorganization. Hence prior court approval of the Stipulation was not required . . ."); cf. In re The Great Atlantic & Pacific Tea Company, Inc., Case No. 10-24549 (RDD) (Bankr. S.D.N.Y. Dec. 12, 2011) (debtors sought and obtained approval of plan support agreement under section 363 of the Bankruptcy Code out of an abundance of caution); In re Quigley Co., Inc., Case No. 04-15739 (SMB) (Bankr. S.D.N.Y. Mar. 21, 2011) (same); In re Chemtura Corp., Case No. 09-11233 (REG) (Bankr. S.D.N.Y. June 17, 2010) (same).

distinct from a decision made arbitrarily or capriciously), courts will generally not entertain objections to the debtor's conduct.").

49. The Debtors have valid business justifications for entering into and performing under the PSA, which was approved by the (a) Board of NII Holdings, (b) the Board of Managers, upon the Independent Manager's recommendation that the Board of Managers cause Luxco to enter into the Proposed Settlement, and (c) the Capco Board. Among other things, the PSA will facilitate the Debtors' ability to achieve their primary goal in these cases: a comprehensive restructuring of their obligations on an agreed-upon timetable that will minimize litigation and quickly move these cases towards resolution. To that end, the PSA and underlying Plan Term Sheet provide (a) specific terms that have been memorialized in the First Amended Plan, (b) a time frame for the Debtors to consummate the Sale Transaction and confirm the First Amended Plan, (c) a prohibition on the parties to the PSA from proposing or supporting a competing plan or Sale Transaction, (d) the requirement that the parties to the PSA vote for the First Amended Plan and (e) a remedy of specific performance if the parties to the PSA fail to vote for the First Amended Plan.

50. Additionally, the PSA was negotiated in good faith and at arm's-length by sophisticated parties, represented by counsel experienced in complex chapter 11 cases. As described above, the Debtors shared extensive information and held numerous meetings with Aurelius, Capital Group, the Luxco Group and the Creditors' Committee in connection with the negotiation of the PSA.¹⁵ As a result of these efforts, the PSA is now supported by a

¹⁵ In addition to the Debtors' counsel and advisors, these meetings often were attended by the creditor groups' legal counsel and financial advisors, including: (a) Akin, counsel to Aurelius, (b) Paul Weiss, counsel to Capital Group, (c) Kirkland, counsel to the Luxco Group; (d) Blackstone, financial advisor to Aurelius, (e) HL, financial advisor to Capital Group, (f) Millstein, financial advisor to the Luxco Group; (g) Kramer Levin Naftalis & Frankel LLP, counsel to the Creditors' Committee and (h) FTI Consulting, Inc., financial advisor to the Creditors' Committee.

supermajority of the Debtors' creditors across multiple classes of claims arising from the Notes and the Creditors' Committee, which represents the interests of all general unsecured creditors in these cases. The Debtors have from the outset of these cases acted as a neutral arbiter between the competing creditor groups in an effort to bring such groups to agreement. After over twelve months of negotiations, the Debtors have reached a consensual agreement with Aurelius, Capital Group, the Luxco Group and the Creditors' Committee that they believe will maximize the value of the Debtors' estates and pave the way towards confirmation of a chapter 11 plan — that agreement is embodied in the PSA.

51. Not only were the PSA and the Proposed Settlement negotiated in good faith and at arm's-length, and the Debtors' entry into them a valid exercise of the Debtors' business judgment, but the PSA also is a significant improvement over the Prior PSA. The PSA both maintains the heavily negotiated benefits of the Prior PSA (e.g., the complete and final settlement of the Potential Litigation Claims and the removal of \$4.35 billion in debt from the Debtors' balance sheet) and also provides improved recoveries, as compared to the Prior PSA, to *all* of the Debtors' Noteholders. Indeed, the recoveries to holders of the Capco 2016 and Capco 2019 Notes improved by 11%,¹⁶ to holders of Luxco Notes improved by 10% and to holders of the Capco 2021 Notes improved by 63%, with the holders of the Capco 2021 Notes being the largest beneficiaries (by a wide margin) of the revised PSA. In the aggregate, when compared to recoveries under the Prior Plan, the Noteholders' recoveries have improved by \$392 million or \$407 million, when calculated from a baseline reflecting recoveries under the Prior Plan before and after taking into account the rights offering contemplated thereunder, respectively.

¹⁶ The percentages in this sentence have been calculated before taking into account the rights offering contemplated under the Prior Plan. Taking into account such rights offering, these percentages are as follows: 10% for each of the Capco 2016 Noteholders and the Capco 2019 Noteholders; 47% for the Capco 2021 Noteholders; and 14% for each of the Luxco 11.375% Noteholders and the Luxco 7.875% Noteholders.

Moreover, those improved recoveries are partially composed of *cash*, which was not contemplated under the Prior PSA. Finally, there is not a plan that has requisite Capco creditor support absent the Proposed Settlement encompassed in the PSA. And in the absence of the Proposed Settlement it is not clear when, or if, Capco would ever have a confirmable plan and, as a result, whether any of the Capco Noteholders would obtain any recovery on account of their claims. It also is unclear whether, absent the Proposed Settlement, litigation of the Potential Litigation Claims could be resolved prior to September 15, 2015, the date at which the Debtors' deals with certain of their local lenders in Brazil will begin to unravel, causing NII Brazil (as defined in the First Amended Disclosure Statement) to be in default of or lose certain concessions with respect to such lending and credit agreements. Thus, the Debtors believe that the PSA not only is the best path forward, but also may be the only viable path forward.

52. Further, in consideration of the extent of the Requisite Consenting Noteholders' support of the Plan, which exceeds the 66⅔ threshold in all classes of claims arising from the Notes at all of the applicable Debtors, the Requisite Consenting Noteholders required as an essential element of the PSA that the Debtors agree to pay their professional fees (subject to certain limitations). Such payment of the Fees and Expenses of Requisite Consenting Noteholders is also a sound exercise of the Debtors' business judgment and warranted in light of the robust level of support provided by the Requisite Consenting Noteholders and their extensive diligence efforts and good faith negotiations in furtherance of the PSA and in connection with formulation of the Prior Plan and the First Amended Plan. Moreover, the fees and expenses to be reimbursed by the Debtors are reasonable and highly beneficial to the Debtors and their estates given the benefits that will inure to the Debtors' estates upon consummation of the First Amended Plan. Courts in this district and elsewhere have authorized the payment of fees and

expenses such as these in connection with plan or restructuring support agreements. See In re MPM Silicones, LLC, et al., Case No. 14-22503 (RDD) (Bankr. S.D.N.Y. June 23, 2014) (approving the payment of certain professionals' fees and expenses pursuant to the terms of the restructuring support agreement); In re Inversiones Alsacia S.A., et al., Case No. 14-12896 (MG) (Bankr. S.D.N.Y. Nov. 5, 2014) (same); In re Chemtura Corp., Case No. 09-11233 (REG) (Bankr. S.D.N.Y. Aug. 9, 2010) (same); In re Genco Shipping & Trading Ltd., 509 B.R. 455 (Bankr. S.D.N.Y. 2014) (same); see also In re USEC Inc., Case No. 14-10475 (CSS) (Bankr. D. Del. April 21, 2014) (same).

53. As noted, this Motion does not seek approval of the First Amended Plan but instead only seeks to permit the Debtors to enter into the PSA and perform their obligations thereunder. Taking all of the above into consideration, to the extent necessary, the Debtors' entry into the PSA should be approved by this Court pursuant to section 363(b) of the Bankruptcy Code.

54. Finally, authorizing the Debtors to enter into and effectuate the terms of the PSA is well within the equitable powers of this Court. See 11 U.S.C. § 105(a) ("The court may issue any order, process, or judgment that is necessary to carry out the provisions of [the Bankruptcy Code]."); Casse v. Key Bank Nat'l Ass'n (In re Casse), 198 F.3d 327, 336 (2d Cir. 1999) (describing section 105 as "an omnibus provision phrased in such general terms as to be the basis for a broad exercise of power in the administration of a bankruptcy case") (citation and internal quotations omitted); see also Chinichian v. Campolongo (In re Chinichian), 784 F.2d 1440, 1443 (9th Cir. 1986) ("Section 105 sets out the power of the bankruptcy court to fashion orders as necessary pursuant to the purposes of the Bankruptcy Code."); In re Cooper Props. The PSA Complies with Sections 1125 and 1126 of the Bankruptcy Code

55. The Debtors are mindful of the solicitation and voting provisions in sections 1125 and 1126 of the Bankruptcy Code. Accordingly, the Debtors have included provisions in the PSA to ensure compliance with these sections. Section 11.17 of the PSA provides:

This Agreement is not and shall not be deemed to be a solicitation for votes to accept or reject the Plan. The votes of the holders of Claims against the Company will not be solicited until such holders who are entitled to vote on the Plan have received the Disclosure Statement and related ballot, the Plan, and other required solicitation materials. In addition, the PSA does not constitute an offer to issue or sell securities to any person, or the solicitation of an offer to acquire or buy securities, in any jurisdiction where such offer or solicitation would be unlawful.

Additionally, Section 3.01 of the PSA is premised, in part, on the Requisite Consenting Noteholders receiving "the Disclosure Statement and other Solicitation Materials that are subsequently approved by the Bankruptcy Court as complying with section 1126(b) of the Bankruptcy Code."

56. Courts in this district and elsewhere regularly approve postpetition plan support agreements, concluding that they do not run afoul of section 1125(b) of the Bankruptcy Code. See In re Nautilus Holdings Ltd., Case No. 14-22885 (RDD) (Bankr. S.D.N.Y. Oct. 3, 2014) (approving plan support agreement where agreement provided that obligation to vote for the plan was subject to the receipt of a disclosure statement approved by the Court); In re General Maritime Corp., Case No. 11-15285 (MG) (Bankr. S.D.N.Y. April 2, 2012) (same); In re The Great Atlantic & Pacific Tea Company, Inc., Case No. 10-24549 (RDD) (Bankr. S.D.N.Y. Dec. 19, 2011) (same); In re Quigley Co., Inc., Case No. 04-15739 (SMB) (Bankr. S.D.N.Y.

Apr. 7, 2011) (same); In re Chemtura Corp., Case No. 09-11233 (REG) (Bankr. S.D.N.Y. Aug. 9, 2010) (same); In re Tronox Incorporated, et al., Case No. 09-10156 (ALG) (Bankr. S.D.N.Y. Dec. 23, 2009) (same); In re Paper International, Inc., Case No. 08-13917 (RDD) (Bankr. S.D.N.Y. May 15, 2009) (approving postpetition plan support agreement that provided it was subject to the provisions of Sections 1125 and 1126 of the Bankruptcy Code); see also In re Owens Corning, Case No. 00-03837 (JKF) (Bankr. D. Del June 29, 2006) (approving postpetition plan support agreement that (i) required a vote in favor of the plan only after holders were solicited in accordance with sections 1125 and 1126 of the Bankruptcy Code and (ii) clearly stated the agreement was not such a solicitation).¹⁷

57. In this case, the PSA gives the Debtors, the Creditors' Committee and each of the Requisite Consenting Noteholders the option to terminate the PSA should the Bankruptcy Court fail to enter an order approving the Sale Transaction or the Sale Transaction fail to be consummated. Moreover, the Debtors and the Creditors' Committee will not solicit votes on the First Amended Plan, and none of the Consenting Noteholders (as defined in the PSA) have agreed to vote in favor of the First Amended Plan, unless and until the Court approves the First Amended Disclosure Statement and their votes have been properly solicited pursuant to section 1125 of the Bankruptcy Code. See PSA §§ 11.17; 3.01. Additionally, the PSA contains termination events that permit the respective parties to terminate the PSA and thereby withdraw from their promise to vote in favor of the Plan. See PSA § 7.01. Finally, the PSA, by its terms, does not force the Debtors or the Creditors' Committee to take any action, or refrain from taking any action, that is inconsistent with their fiduciary duties or in contravention of the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure or the Local Bankruptcy Rules for the

¹⁷ Courts in this District also have approved motions to assume prepetition restructuring support agreements. See In re Genco Shipping & Trading Ltd., 509 B.R. 455 (Bankr. S.D.N.Y. 2014); In re MPM Silicones, LLC, Case No. 14-22503 (RDD) (Bankr. S.D.N.Y. June 23, 2014).

Southern District of New York. See PSA §§ 11.01 and 11.02. To this end, both the Debtors and the Creditors' Committee have the right to consider alternate plans. Id. Accordingly, the Debtors submit that the PSA does not constitute an impermissible "solicitation" under section 1125(b) of the Bankruptcy Code, and the Court should authorize the Debtors to enter into and perform in accordance with the terms of the PSA.

Waiver of Bankruptcy Rule 6004(h)

58. Pursuant to Bankruptcy Rule 6004(h), the Debtors also seek, to the extent it applies, a waiver of any stay of the effectiveness of the Order. Bankruptcy Rule 6004(h) provides that "[a]n order authorizing the use, sale, or lease of property other than cash collateral is stayed until the expiration of 14 days after entry of the order, unless the court orders otherwise." As set forth above, the Debtors' entry into the PSA is linked to the ultimate consummation of the Sale Transaction and the confirmation of the First Amended Plan in the most expeditious manner possible. Any further delay will compromise the Sale Transaction and the Debtors' restructuring efforts and ability to ultimately put forth and confirm the First Amended Plan. Accordingly, the Debtors submit that ample cause exists to justify a waiver of the fourteen-day stay imposed by Bankruptcy Rule 6004(h), to the extent it applies, with respect to the Order.

(c) not directly or indirectly object to, delay, impede or take any other action to materially interfere with acceptance, confirmation, consummation, or implementation of the Plan;

(d) not directly or indirectly seek, solicit, encourage, formulate, consent to, propose, file, support, negotiate, participate in, or vote for any restructuring, workout, plan of reorganization or liquidation, proposal, offer, dissolution, winding up, liquidation, reorganization, merger, consolidation, business combination, joint venture, partnership, or sale of assets of or in respect of the Company other than the Plan or the Sale Transaction;

(e) not directly or indirectly take an action to direct the Indenture Trustees (as applicable) to undertake any action that a Consenting Noteholder is otherwise prohibited from undertaking pursuant to Sections 3.01(c) or (d) hereof; provided, however, that to the extent a Consenting Noteholder chooses to direct an Indenture Trustee to not undertake an action that a Consenting Noteholder is otherwise prohibited from undertaking pursuant to Sections 3.01(c) and (d) hereof, such direction shall not be construed in any way as requiring any

Consenting Noteholder to provide an indemnity to the applicable Indenture Trustee, or to incur or potentially incur any other liability in connection with such direction;

(f) not directly or indirectly object to, delay, impede or take any other action to materially interfere with consummation of the Sale Transaction; and

(g) take any and all reasonably necessary and appropriate actions in furtherance of the Restructuring and the transactions contemplated under the Plan Term Sheet, the Plan, the Plan Documents and the Sale Documents.

Notwithstanding anything to the contrary in this Section 3.01, the vote of a Consenting Noteholder shall be immediately revoked and deemed void *ab initio* upon termination of this Agreement as to such Consenting Noteholder pursuant to Section 7 hereof.

3.02. Right to Appear and Participate. Nothing in Section 3.01 hereof shall be deemed to limit any of the following rights of the Consenting Noteholders, to the extent consistent with this Agreement:

(a) to appear and participate as a party in interest in any matter to be adjudicated in the Chapter 11 Cases so long as such appearance or participation and the positions advocated in connection therewith are not inconsistent with this Agreement, the Plan Term Sheet, or the terms of the Plan, and, other than as a result of actions or omissions any such Consenting Noteholder takes or does not take in good faith to enforce its rights under this Agreement, the Plan Term Sheet, or the terms of the Plan, do not hinder, delay or prevent consummation of the Plan;

(b) to purchase, sell or enter into any transactions in connection with the Claims or any other claims against or interests in the Debtors, subject to the terms of Section 3.04 hereof; or

(c) all rights under any applicable indenture, other loan document or applicable law.

3.03. Certain Conditions. The continuing obligations of each Consenting Noteholder set forth in Section 3.01 hereof, following the occurrence of the PSA Effective Date, are subject to the following conditions:

(a) the Plan and Plan Documents, including the Sale Documents (other than the Stalking Horse Purchase Agreement), shall (i) be in form and substance reasonably acceptable to the Plan Proponents, Aurelius and Capital Group, and (ii) solely with respect to the Plan, the Disclosure Statement, the Solicitation Materials, the Disclosure Statement Motion, the Disclosure Statement Order, the Confirmation Order, any term sheet and/or commitment letter for the issuance of the Bridge Loan and any operative documents for the Bridge Loan, be in form and substance reasonably acceptable to the Luxco Group and with respect to all other documents, be subject to the consent of the Luxco Group not to be unreasonably withheld, conditioned or delayed; provided, however, the Debtors shall consult with the Luxco Group regarding the proposed exit financing and the negotiation of the terms thereof and the final terms and conditions of such exit financing will be subject to the consent of the Luxco Group, such consent

not to be unreasonably withheld, conditioned or delayed; provided, further, that if Capital Group or Aurelius participates in the exit financing, such financing shall be on terms and conditions reasonably acceptable to each of the Plan Proponents and each of the Requisite Consenting Noteholders; provided, further, that the foregoing consent rights of Aurelius, Capital Group and the Luxco Group with respect to (A) the CDB Amendments shall only apply to CDB Amendments entered into after December 18, 2014, including any amendments, restatements, modifications or refinancings of any CDB Amendments entered into prior to December 18, 2014 and (B) the Brazil Bank Amendments shall only apply to modifications to Brazil Bank Amendments made after February 26, 2015, including any amendments, restatements, modifications or refinancings of the draft Brazil Bank Amendments dated February 13, 2015 that were delivered to the Requisite Consenting Noteholders on or prior to February 26, 2015.

(b) this Agreement shall have not been terminated in accordance with the terms hereof.

3.04. Transfer of Claims.

(a) Except as expressly provided herein, this Agreement shall not in any way restrict the right or ability of any Party to sell, use, assign, transfer or otherwise dispose of ("Transfer") any claims as such term is defined in section 101(5) of the Bankruptcy Code (each a "Claim" and, collectively, the "Claims"); provided, however, that, for the period commencing as of the PSA Effective Date until the termination of this Agreement pursuant to the terms hereof, no Party shall Transfer any Claims, and any purported Transfer of Claims shall be null and void *ab initio*, unless (a) the transferee is a Party, or (b) if the transferee is not a Party, such transferee delivers to the Company (in any manner permitted by Section 11.15 hereof) within three (3) business days of the Transfer an executed joinder to this Agreement in the form attached hereto as Exhibit 2 (a "Joinder Agreement") pursuant to which such transferee shall have assumed all obligations of the Party transferring such Claims and shall become a Party; provided, further, that, if the transferor of the Claims is a Consenting Noteholder, the transferee of such Claims shall also become a Consenting Noteholder. The failure by a Party to comply with the Transfer procedure described in the first proviso of the immediately preceding sentence (resulting in such Transfer becoming null and void *ab initio*) shall not constitute a material breach for purposes of Section 7.01(b) hereof. For the avoidance of doubt, to the extent not already a Party to this Agreement, a transferee of Claims under this Agreement shall only become a Party (or Consenting Noteholder, to the extent applicable) to this Agreement with respect to the Claims that are the subject of the Transfer. This Agreement shall in no way be construed to preclude any Party from acquiring additional Claims; provided, however, that any such additional Claims acquired by a Party shall automatically and immediately upon acquisition by such Party be deemed subject to all of the terms of this Agreement, whether or not notice of such acquisition is given to the Company, and that, so long as this Agreement has not been terminated, such Party shall vote (or cause to be voted) any such additional Claims in favor of the Plan in accordance and consistent with Section 3.01(a) hereof.

(b) Notwithstanding anything herein to the contrary, (A) any Consenting Noteholder may transfer (by purchase, sale, assignment, participation or otherwise) any right, title or interest in such Claims against the Debtors to an entity that is acting in its capacity as a Qualified Marketmaker (as defined below) without the requirement that the

Qualified Marketmaker be or become a Consenting Noteholder, provided that the Qualified Marketmaker subsequently transfers (by purchase, sale, assignment, participation or otherwise) within twenty (20) days of its receipt thereof the right, title or interest in such Claims against the Debtors to a transferee that is a Consenting Noteholder or becomes a Consenting Noteholder by executing a Joinder Agreement that is delivered to the Debtors within such time period, and such Transfer shall be null and void *ab initio* in the event the Qualified Marketmaker fails to subsequently transfer such Claims to a transferee that is or becomes a Consenting Noteholder by executing a Joinder Agreement and (B) to the extent that a Consenting Noteholder is acting in its capacity as a Qualified Marketmaker, it may transfer (by purchase, sale, assignment, participation or otherwise) any right, title or interest in Claims against the Debtors that the Qualified Marketmaker acquires from a holder of the Claims who is not a Consenting Noteholder without the requirement that the transferee of such Claims be or become a Consenting Noteholder.

For these purposes, a "Qualified Marketmaker" means an entity that (A) holds itself out to the market as standing ready in the ordinary course of its business to purchase from customers and sell to customers claims against the Debtors (including debt securities or other debt) or enter with customers into long and short positions in claims against the Debtors (including debt securities or other debt), in its capacity as a dealer or market maker in such claims against the Debtors, and (B) is in fact regularly in the business of making a market in claims against issuers or borrowers (including debt securities or other debt).

Section 4. Company's and Plan Proponents' Commitments.

4.01. Company's Commitments. Subject to the Company's fiduciary duties under applicable law and Section 11.01 hereof and for so long as this Agreement has not been terminated in accordance with the terms hereof, the Company agrees to use its commercially reasonable efforts to:

(i) timely file, and provide the Committee and the Consenting Noteholders with a draft of such objection at least two (2) business days prior to filing, a formal objection to any motion filed with the Bankruptcy Court by a third party seeking the entry of an order (i) converting the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code, (ii) dismissing the Chapter 11 Cases; (iii) modifying or terminating the Debtors' exclusive right to file and/or solicit acceptances of a plan of reorganization; (iv) directing the appointment of a trustee pursuant to section 1104 of the Bankruptcy Code; or (v) directing the appointment of an examiner pursuant to section 1104 of the Bankruptcy Code, the appointment of which has not been consented to by the Committee, each of the Requisite Consenting Noteholders;

(j) pay the reasonable and documented fees and expenses of (i) Akin Gump Strauss Hauer & Feld LLP ("Akin"), (ii) Paul, Weiss, Rifkind, Wharton & Garrison LLP ("Paul Weiss"), (iii) Blackstone Advisory Partners, L.P. ("HL"), (v) Robbins, Russell, Englert, Orseck, Untereiner & Sauber LLP ("Robbins Russell"), (vi) Kirkland & Ellis LLP ("Kirkland") and, together with Akin and Paul Weiss, "RCN Counsel") and (vii) Millstein & Co. ("Millstein") in their respective capacity as counsel or financial advisor to one or more of the Requisite Consenting Noteholders, incurred prior to the effective date of the Plan (the "Plan Effective Date") in connection with the Debtors' restructuring, including restructuring, completion or transaction fees provided for or acknowledged in the engagement letters for Blackstone and HL (and, in the case of HL and Millstein, as such engagement letter has been amended), in full in cash; provided that the reasonable and documented fees and expenses payable by the Debtors of (v) Robbins Russell shall not exceed \$150,000, (w) Kirkland shall not exceed \$4,500,000, (x) Millstein shall not exceed \$4,000,000, (y) Blackstone, only with respect to its restructuring and discretionary fees, shall not exceed \$3,000,000, and (z) HL, only with respect to its restructuring fee, shall not exceed \$7,000,000;

(k) not request entry of a Sell-Down Order as such term is defined in the *Final Order (I) Establishing Notice and Objection Procedures for Transfers of Equity Securities, (II) Establishing a Record Date for Notice and Sell-Down Procedures for Trading in Claims Against the Debtors' Estates and (III) Granting Related Relief* [Docket No. 138] without the consent of the Committee and each of the Requisite Consenting Noteholders; and

(l) if the Debtors know or should know of a breach by any Debtor in any respect of the obligations, representations, warranties or covenants of the Debtors set forth in

this Agreement, furnish prompt written notice (and in any event within three (3) business days of such actual knowledge) to the Consenting Noteholders.

4.02. Plan Proponents' Commitments. Subject to each of the Plan Proponents' respective fiduciary duties under applicable law and Sections 11.01 and 11.02 hereof and for so long as this Agreement has not been terminated in accordance with the terms hereof, each of the Plan Proponents agrees to use its commercially reasonable efforts to:

(a) prepare the Plan Documents and any related documents, and distribute such documents concurrently to the Consenting Noteholders, and afford reasonable opportunity to comment and review to the respective legal and financial advisors for the Consenting Noteholders in advance of any filing thereof;

(b) support and complete the Restructuring and all transactions contemplated under the Plan Term Sheet, the Plan and the Plan Documents;

(c) take any and all necessary and appropriate actions in furtherance of the Restructuring and the transactions contemplated under the Plan Term Sheet, the Plan and the Plan Documents, including, without limitation, taking any and all actions necessary to consummate the Restructuring in any applicable jurisdictions other than the United States;

(d) complete the Restructuring and all transactions contemplated under the Plan Term Sheet, the Plan and the Plan Documents within the applicable timeframes provided therefor in this Agreement; and

(e) take no actions inconsistent with this Agreement or the Plan Term Sheet, or that would delay or impede the solicitation, confirmation or consummation of the Plan, including the soliciting or causing or allowing any of their agents or representatives to solicit any agreements relating to any chapter 11 plan or restructuring transaction other than the Plan (an "Alternative Transaction"); provided, however, that the Sale Transaction or the Debtors' solicitation of interest in, and the negotiation of one or more agreements relating to, a sale of the Debtors' or their subsidiaries' assets, including the marketing and solicitation of bids for the sale any of their assets pursuant to section 363 of the Bankruptcy Code as contemplated by the Plan Term Sheet, and/or negotiation and consummation of amendments or a restructuring of indebtedness owed by its non-Debtor affiliates, in each case, shall not itself constitute an Alternative Transaction.

Section 5. Mutual Representations, Warranties, and Covenants. Each of the Parties individually represents, warrants, and covenants to each other Party, as of the date of this Agreement (or, with respect to a transferee, the date of such Transfer), as follows (each of which is a continuing representation, warranty, and covenant):

5.01. Existence; Enforceability. It is validly existing and in good standing under the laws of the state of its organization, and this Agreement is the legally valid and binding obligation of such Party, enforceable against it in accordance with its terms.

5.02. No Violation. The execution, delivery and performance by such Party of this Agreement does not and shall not (i) violate (a) any provision of law, rule or regulation

applicable to it or any of its subsidiaries, as applicable, or (b) its charter or bylaws (or other similar governing documents) or those of any of its subsidiaries, as applicable, or (ii) conflict with, result in a breach of, or constitute (with due notice or lapse of time or both) a default under, any material contractual obligation to which it or any of its subsidiaries, as applicable, is a party.

5.03. No Consent or Approval. Except as expressly provided in this Agreement, no consent or approval is required by any other person or entity in order for it to carry out the transactions contemplated by, and perform the respective obligations under, this Agreement.

5.04. Power and Authority. It has all requisite corporate, partnership, limited liability company or similar authority to execute this Agreement and carry out the transactions contemplated hereby and perform its obligations contemplated hereunder, and the execution and delivery of this Agreement and the performance of such Party's obligations hereunder have been duly authorized by all necessary corporate, partnership, limited liability company or other similar action on its part.

5.05. Consenting Noteholder Representations. Each Consenting Noteholder individually represents, warrants, and covenants to each other Party that the following statements are true, correct, and complete as of the date of this Agreement (or, with respect to a transferee, the date of such Transfer) (each of which is a continuing representation, warranty, and covenant):

(a) it (i) is either (a) the sole beneficial owner of the principal amount of Claims set forth below its signature hereto, or (b) has sole investment or voting discretion with respect to the principal amount of Claims set forth below its signature hereto and has the power and authority to bind the beneficial owner(s) of such Claims to the terms of this Agreement, (ii) has full power and authority to act on behalf of, vote and consent to matters concerning such Claims and to dispose of, exchange, assign, and transfer such Claims and (iii) holds no other Claims;

(b) other than pursuant to this Agreement, its Claims are free and clear of any pledge, lien, security interest, charge, claim, equity, option, proxy, voting restriction, right of first refusal, or other limitation on disposition or encumbrance of any kind that would adversely affect in any way such Consenting Noteholder's performance of its obligations contained in this Agreement at the time such obligations are required to be performed;

(c) it (i) has such knowledge and experience in financial and business matters of this type that it is capable of evaluating the merits and risks of entering into this Agreement and of making an informed investment decision, and has conducted an independent review and analysis of the business and affairs of the Company that it considers sufficient and reasonable for purposes of entering into this Agreement and (ii) is an "accredited investor" (as defined by Rule 501 of the Securities Act of 1933, as amended); and

(d) it has made no prior assignment, sale, participation, grant, conveyance, pledge, or other Transfer of, and has not entered into any other agreement to assign, sell, participate, grant, convey, pledge, or otherwise Transfer, in whole or in part, any portion of its right, title, or interests in any of the Claims that are inconsistent or conflict with

representations and warranties of such Consenting Party herein or that would render it otherwise unable to comply with this Agreement and perform its obligations hereunder, either generally or with respect to any specific Claims.

Section 6. No Waiver of Participation and Reservation of Rights and Ratification of Liability. This Agreement and the Plan Term Sheet evidence a proposed settlement of disputes among the Parties. Except as expressly provided in this Agreement, nothing herein is intended to, or does, in any manner waive, limit, impair, or restrict any right or ability of each of the Parties to protect and preserve its rights, remedies and interests. Without limiting the foregoing sentence in any way, if the transactions contemplated by this Agreement or otherwise set forth in the Plan are not consummated, or if this Agreement is terminated for any reason (other than pursuant to Section 7.02 hereof), each of the Parties fully reserves any and all of its rights, remedies, and interests. Pursuant to Federal Rule of Evidence 408 and any other applicable rules of evidence, this Agreement, the Term Sheet and all negotiations relating hereto shall not be admissible into evidence in any action, case, or proceeding other than an action, case or proceeding to enforce its terms.

Section 7. Termination Events.

7.01. Termination Events. This Agreement may be terminated by (i) the mutual consent of the Plan Proponents and each of the Requisite Consenting Noteholders or (ii) either of the Plan Proponents, or any of the Requisite Consenting Noteholders upon two (2) business days prior written notice delivered to the other Parties upon the occurrence of any of the following events (each a "Termination Event"); provided, however, that this Agreement may be terminated solely (i) by the Committee or any of the Requisite Consenting Noteholders upon the occurrence of the Termination Events set forth in clauses (a), (e), (f) and (i)-(p) below and (ii) by any of the Requisite Consenting Noteholders upon the occurrence of the Termination Event set forth in clause (g) below:

(a) the public announcement by the Company of its intention not to pursue the Restructuring or the Sale Transaction, or the Company's acceptance of an Alternative Transaction;

(b) following the delivery of written notice thereof by a non-breaching Party, the occurrence of a material breach by any of the Parties of any of its obligations, representations, warranties, covenants or commitments set forth in this Agreement that is either unable to be cured or is not cured within five (5) business days following the delivery of such notice;

(c) the issuance by any court of competent jurisdiction or other competent governmental or regulatory authority of an order making illegal or otherwise restricting, preventing or prohibiting the Restructuring or the Sale Transaction or causing a material adverse effect on the economics terms of the Restructuring or the Sale Transaction, taken as a whole, in each case, in a manner that cannot reasonably be remedied by the Company;

(d) the appointment in the Bankruptcy Cases of a trustee or receiver (but not the Independent Manager), the conversion of the Bankruptcy Cases to cases under

chapter 7 of the Bankruptcy Code, or the dismissal of the Bankruptcy Cases by order of the Bankruptcy Court;

(e) the Debtors' entry into any postpetition financing agreement in form and substance not reasonably acceptable to the Committee and each of the Requisite Consenting Noteholders;

(f) the Debtors' entry into any exit financing agreement in form and substance not reasonably acceptable to the Committee, Capital Group and Aurelius, and subject to the consent of the Luxco Group not to be unreasonably withheld, conditioned or delayed; provided, however, the Debtors shall consult with the Luxco Group regarding the proposed exit financing and the negotiation of the terms thereof and the final terms and conditions of such exit financing will be subject to the consent of the Luxco Group, such consent not to be unreasonably withheld, conditioned or delayed; provided, further, that if Capital Group or Aurelius participates in the exit financing, such financing shall be on terms and conditions reasonably acceptable to each of the Plan Proponents and each of the Requisite Consenting Noteholders;

(g) (i) any modification of the draft Brazil Bank Amendments dated February 13, 2015 delivered to the Requisite Consenting Noteholders on or before February 26, 2015, (ii) any CDB Amendments entered into after December 18, 2014 (including any amendments, restatements, modifications or refinancings of any CDB Amendments entered into prior to December 18, 2014), and (iii) the entry into any other agreement relating to the financing of the Debtors' operating subsidiaries, in each case, that is in form and substance not reasonably acceptable to Aurelius and Capital Group, and subject to the consent of the Luxco Group not to be unreasonably withheld, conditioned or delayed;

(h) the entry by the Bankruptcy Court of an order terminating the Debtors' exclusive right to file a plan of reorganization pursuant to Bankruptcy Code section 1121;

(i) the failure of the Debtors to have sought, in connection with their motion for approval of postpetition financing, authority to pay in full in cash the reasonable fees and expenses of each RCN Counsel (A) incurred through the date of the order approving such motion (the "DIP Financing Order"), with such payment to be made to Akin and Kirkland expeditiously after entry of the DIP Financing Order and receipt of the relevant invoices for such fees and expenses and to Paul Weiss on the Effective Date following the receipt of invoices for such fees and expenses, and (B) incurred from the date of the DIP Financing Order through the Effective Date, with such payment to be made to each RCN Counsel on the Effective Date, in each case, subject to the limitations set forth in Section 4.01(j) hereof;

(j) the failure of the Plan Proponents to have filed the Disclosure Statement, the Plan, the motion to approve the Disclosure Statement and the PSA Motion with the Bankruptcy Court by March 13, 2015;

(k) the failure of the Bankruptcy Court to have entered an order approving the Disclosure Statement by April 20, 2015;

(l) the failure of the Bankruptcy Court to have entered the Sale Order by March 24, 2015;

(m) the failure to have consummated the Sale Transaction by September 30, 2015;

(n) the failure of the Bankruptcy Court to have commenced a hearing on the confirmation of the Plan on or before June 3, 2015;

(o) the failure of the Bankruptcy Court to have entered the Confirmation Order and the PSA Order on or before June 12, 2015;

(p) the failure of the Plan Effective Date to have occurred by June 26, 2015 unless the only remaining conditions to the consummation of the Sale Transaction are the receipt of all governmental approvals for the Sale Transaction and the completion of deliveries that are required to be made at the closing of the Sale Transaction by the respective parties to the Purchase Agreement;

(q) the amendment or modification of any of the Sale Documents, the Plan or Disclosure Statement in a manner that is materially adverse to any of the Plan Proponents or any of the Requisite Consenting Noteholders and is not otherwise reasonably acceptable to each of the Plan Proponents and each of the Requisite Consenting Noteholders;

(r) any of the orders approving this Agreement, the Sale Transaction (including the Bidding Procedures Order and the Sale Order), the Disclosure Statement, or the Confirmation Order is reversed, stayed, dismissed, vacated, reconsidered or is materially modified or materially amended after entry in a manner that is not reasonably acceptable to any of the Plan Proponents and each of the Required Consenting Noteholders; or

(s) the determination by any of the Company's board of directors that (i) proceeding with the transactions contemplated by this Agreement would be inconsistent with the continued exercise of its fiduciary duties, or (ii) having received a proposal or offer for an Alternative Transaction, that such Alternative Transaction is likely to be more favorable than the Plan and that continued support of the Plan pursuant to this Agreement would be inconsistent with its fiduciary obligations.

The Committee may withdraw from and no longer remain bound by this Agreement, it being understood that the Agreement shall remain binding among the remaining Parties, in the event the Committee determines that proceeding with the transactions contemplated by this Agreement would be inconsistent with the continued exercise of its fiduciary duties.

No Party may terminate this Agreement if such Party failed to perform or comply in any material respect with the terms and conditions of this Agreement, with such failure to perform or comply causing, or resulting in, the occurrence of one or more termination events specified herein. Nothing in this Section 7 shall relieve any Party of liability for any breach or non-performance of this Agreement occurring prior to the Termination Date

The date on which this Agreement is terminated in accordance with the provisions of this Section 7 shall be referred to as the "Termination Date". On the Termination Date, the provisions of this Agreement and the Plan Term Sheet shall terminate, except as otherwise provided in this Agreement, unless, within three (3) business days of such Termination Date, the Plan Proponents and each of the Requisite Consenting Noteholders waive, in writing, the occurrence of the Termination Event giving rise to the occurrence of such Termination Date.

For the avoidance of doubt, each of the Parties hereby waives any requirement under section 362 of the Bankruptcy Code to lift the automatic stay thereunder for purposes of providing notice under this Agreement (and agrees not to object to any non-breaching Party seeking, if necessary, to lift such automatic stay in connection with the provision of any such notice); provided, however, that nothing in this paragraph shall prejudice any Party's rights to argue that the termination was not proper under the terms of this Agreement.

7.02. Termination Upon Plan Effective Date. This Agreement shall terminate automatically without further required action or notice upon the Plan Effective Date.

Section 8. Cooperation and Support. The Parties shall cooperate with each other in good faith and shall coordinate their activities (to the extent practicable) in respect of all matters concerning the implementation and consummation of the Restructuring. Furthermore, subject to the terms of this Agreement, each of the Parties shall execute and deliver any other agreements or instruments, seek regulatory approvals and take other similar actions outside of the Bankruptcy Cases as may be reasonably appropriate or necessary, from time to time, to carry out the purposes and intent of this Agreement or to effectuate the solicitation of the Plan, the Plan and/or the Restructuring, as applicable, and shall refrain from taking any action that would frustrate the purposes and intent of this Agreement. Furthermore, the Committee's obligations set forth in Section 4.02 hereof with respect to actions that, as a legal matter, can only be performed by the Debtors are subject to the Debtors' reasonable cooperation and performance in connection therewith.

Section 9. Effectiveness. This Agreement shall become effective (A) with respect to the Consenting Noteholders and the Committee, on the date on which (i) Aurelius, (ii) Capital Group, (iii) each member of the Luxco Group, and (iv) the Committee deliver to the other Parties duly executed counterpart signature pages to this Agreement (such date, the "PSA Effective Date") and (B) with respect to the Company, on the date the Bankruptcy Court enters an order approving the Debtors' entry into this Agreement. Upon the PSA Effective Date, the Plan Term Sheet shall be deemed effective for the purposes of this Agreement and thereafter the terms and conditions therein may only be amended, modified, waived or otherwise supplemented as set forth in Section 10 hereof.

Section 10. Amendments. This Agreement, the Plan Term Sheet, any exhibits attached thereto, and the Plan may not be modified, amended, or supplemented without the prior written consent of (i) each of the Plan Proponents and (ii) each of the Requisite Consenting Noteholders; provided that the Luxco Group shall not have any consent rights with respect to any economic modifications to the terms of the Restructuring that do not affect the recoveries, in terms of value and form of consideration, to be afforded to holders of the Luxco Notes.

Section 11. Miscellaneous.

11.01. Company Fiduciary Duties. Notwithstanding anything to the contrary in this Agreement, (i) nothing in this Agreement shall require the Company or its subsidiaries or affiliates or any of its or their respective directors or officers (in such person's capacity as a director or officer) to take any action, or to refrain from taking any action, to the extent that taking such action or refraining from taking such action would be inconsistent with, or cause such party to breach, such party's fiduciary obligations under applicable law, and (ii) the Debtors and each of their boards of directors shall be entitled to take any action in connection with the Sale Transaction and continue to market and solicit bids for the sale any of their assets pursuant to section 363 of the Bankruptcy Code in the interest of maximizing the value of the Debtors' estates, consistent with their fiduciary obligations.

11.02. Committee Fiduciary Duties; Status of Committee Members. Notwithstanding anything to the contrary in this Agreement, nothing in this Agreement shall require the Committee or its members (in such member's capacity as a Committee member) to take any action, or to refrain from taking any action, to the extent that taking such action or refraining from taking such action would be inconsistent with, or cause such party to breach, such party's fiduciary obligations under the Bankruptcy Code and applicable law. For the avoidance of doubt, the obligations of the Committee under this Agreement shall be binding on the Committee itself, and nothing set forth in this Agreement shall be construed to bind any individual member of the Committee in its individual capacity, unless such member has separately executed this Agreement or a Joinder Agreement in its individual capacity.

11.03. Complete Agreement. This Agreement, together with all exhibits and schedules attached hereto, is the entire agreement between the Parties with respect to the subject matter hereof and supersedes all prior agreements, oral or written, between the Parties with respect thereto. No claim of waiver, modification, consent or acquiescence with respect to any provision of this Agreement shall be made against any Party, except on the basis of a written instrument executed by or on behalf of such Party.

11.04. Parties. This Agreement shall be binding upon, and inure to the benefit of, the Parties. No rights or obligations of any Party under this Agreement may be assigned or transferred to any other person or entity except as provided in Section 3.04 hereof. Subject to Section 9 hereof, nothing in this Agreement, express or implied, shall give to any person or entity, other than the Parties, any benefit or any legal or equitable right, remedy or claim under this Agreement.

11.05. Headings. The headings of all sections of this Agreement are solely for the convenience of reference and are not a part of and are not intended to govern, limit or aid in the construction or interpretation of any term or provision hereof.

11.06. GOVERNING LAW; SUBMISSION TO JURISDICTION; SELECTION OF FORUM; WAIVER OF TRIAL BY JURY. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN SUCH STATE, WITHOUT GIVING EFFECT TO THE CONFLICT OF

LAWS PRINCIPLES THEREOF. Each Party hereto agrees that it shall bring any action or proceeding in respect of any claim arising out of or related to this Agreement or the transactions contained in or contemplated by this Agreement, to the extent possible, in the Bankruptcy Court, and, solely in connection with claims arising under this Agreement or the transactions that are the subject of this Agreement, (i) irrevocably submits to the exclusive jurisdiction of the Bankruptcy Court, (ii) waives any objection to laying venue in any such action or proceeding in the Bankruptcy Court and (iii) waives any objection that the Bankruptcy Court is an inconvenient forum or does not have jurisdiction over any party hereto. Each party hereto irrevocably waives any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

11.07. Specific Performance. It is understood and agreed by the Parties that money damages would be an insufficient remedy for any breach of this Agreement by any Party and a non-breaching Party may be entitled to seek specific performance and injunctive or other equitable relief as a remedy of any such breach, including, without limitation, an order of the Bankruptcy Court or other court of competent jurisdiction requiring any Party to comply promptly with any of its obligations hereunder; provided, however, that each Party agrees to waive any requirement for the securing or posting of a bond in connection with such remedy.

11.08. Execution of Agreement. This Agreement may be executed and delivered (by facsimile, by electronic mail in portable document format (.pdf) or otherwise) in any number of counterparts, each of which, when executed and delivered, shall be deemed an original, and all of which together shall constitute the same agreement. Each individual executing this Agreement on behalf of a Party has been duly authorized and empowered to execute and deliver this Agreement on behalf of said Party.

11.09. Interpretation. This Agreement is the product of negotiations between the Plan Proponents and the Consenting Noteholders, and, in the enforcement or interpretation hereof, is to be interpreted in a neutral manner to effect the intent of the Parties hereto, and any presumption with regard to interpretation for or against any Party by reason of that Party having drafted or caused to be drafted this Agreement, or any portion hereof, shall not be effective in regard to the interpretation hereof.

11.10. Successors and Assigns; Severability. This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors, assigns, heirs, executors, administrators and representatives, other than a trustee or similar representative appointed in a bankruptcy case; provided that nothing contained in this Section 11.10 shall be deemed to permit sales, assignments, or other Transfers or other claims against or interests in the Company other than in accordance with this Agreement. The agreements, representations and obligations of the Consenting Noteholders under this Agreement are, in all respects, several and not joint. If any provision of this Agreement, or the application of any such provision to any person or circumstance, shall be held invalid or unenforceable in whole or in part, such invalidity or unenforceability shall attach only to such provision or part thereof and the remaining part of such provision hereof and this Agreement shall continue in full force and effect.

11.11. Representation by Counsel. Each Party hereto acknowledges that it has been represented by counsel (or had the opportunity to and waived its right to do so) in

connection with this Agreement and the transactions contemplated by this Agreement. Accordingly, any rule of law or any legal decision that would provide any Party hereto with a defense to the enforcement of the terms of this Agreement against such Party based upon lack of legal counsel shall have no application and is expressly waived.

11.12. Survival. Notwithstanding the termination of this Agreement, the agreements and obligations of the Parties in this Section 11 and in Sections 6 and 12 hereof shall survive such termination and shall continue in full force and effect for the benefit of the Parties in accordance with the terms hereof.

11.13. Independent Due Diligence and Decision-Making. Each Consenting Party hereby confirms that its decision to execute this Agreement has been based upon its independent investigation of the operations, businesses, financial and other conditions and prospects of the Company.

11.14. Relationship Among Parties. It is understood and agreed that no Consenting Party has any duty of trust or confidence in any form with any other Consenting Party, and, except as provided in this Agreement, there are no agreements, commitments or undertakings among or between them. In this regard, it is understood and agreed that any Consenting Party may trade in the Claims or other debt or equity securities of the Company without the consent of the Company, as the case may be, or any other Consenting Party, subject to applicable securities laws and the terms of this Agreement; provided, further, that no Consenting Party shall have any responsibility for any such trading by any other entity by virtue of this Agreement. No prior history, pattern or practice of sharing confidences among or between the Consenting Noteholders shall in any way affect or negate this understanding and agreement.

11.15. Notices. 11.17. No Solicitation. This Agreement is not and shall not be deemed to be a solicitation for votes to accept or reject the Plan. The votes of the holders of Claims against the Company will not be solicited until such holders who are entitled to vote on the Plan have received the Disclosure Statement and related ballot, the Plan, and other required solicitation materials. In addition, this Agreement does not constitute an offer to issue or sell securities to any person, or the solicitation of an offer to acquire or buy securities, in any jurisdiction where such offer or solicitation would be unlawful.

PLAN TERM SHEET

Plan Term Sheet

March 5, 2015

For purposes of this Agreement, the Luxco Group shall exercise its rights as a Requisite Consenting Noteholder through approval by members of the Luxco Group holding a majority in principal amount of Notes held by the Luxco Group in the aggregate, and shall not have any consent rights with respect to any economic modifications to the terms of the Restructuring that do not affect the recoveries, in terms of value and form of consideration, to be afforded to holders of the Luxco Notes.

¹ The term “Term Sheet” shall include any exhibits annexed hereto.

² The Debtors are: (a) Holdings; (b) Nextel International (Services), Ltd. (“Services”); (c) NII Funding Corp. (“Funding”); (d) NII Aviation, Inc. This Term Sheet has been prepared for settlement discussion purposes only and shall not constitute an admission of liability by any Party, nor be admissible in any action relating to any of the subject matter addressed herein. Nothing in this Term Sheet shall be deemed to be the solicitation of an acceptance or rejection of a plan of reorganization. Further, nothing herein shall be an admission of fact or liability or deemed binding on the Parties.

I. Overview⁴

The Restructuring will be implemented through the Plan to be filed in the Chapter 11 Cases. The purpose of the restructuring contemplated by the Plan, consistent with the material terms and conditions described in this Term Sheet, is, among other things, following the consummation of the Sale Transaction (as defined below), to convert \$4.35 billion in outstanding principal amount of Notes into the right to receive the Total Distributable Cash (as defined below) and equity interests in Reorganized NII (as defined below).

II. The Sale Transaction

Purchase Agreement	<p>New Cingular Wireless Services, Inc. (the “<u>Stalking Horse Purchaser</u>”) and NIU Holdings LLC (the “<u>Selling Debtor</u>”) entered into a Purchase and Sale Agreement (the “<u>Stalking Horse Purchase Agreement</u>”) on January 26, 2015. Pursuant to the Stalking Horse Purchase Agreement, the Selling Debtor will sell, and the Stalking Horse Purchaser will acquire, on the Closing Date, in exchange for payment of the Estimated Purchase Price,⁵ 100% of the membership interests in NIU, resulting in indirect ownership by Purchaser (as defined below) of 100% of the stock of Comunicaciones Nextel de México, S.A. de C.V. (“<u>NII Mexico</u>”; such acquisition, the “<u>Stalking Horse Sale Transaction</u>” and, such membership interests, the “<u>Sale Assets</u>”), all as set forth in and pursuant to the terms of the Stalking Horse Purchase Agreement.⁶</p> <p>The Estimated Purchase Price is payable to the Selling Debtor by</p>

⁴ Capitalized terms not otherwise defined herein shall have the meanings ascribed to such terms in either the Stalking Horse Purchase Agreement (as defined below), the Plan Support Agreement to which this Term Sheet is appended (the “Plan Support Agreement”) or the Bankruptcy Code, as applicable. References in this Term Sheet to pleadings, orders and other filings and related docket numbers are to such pleadings, orders and other filings filed or entered in the Bankruptcy Cases.

⁵ Defined in the Purchase Agreement as “an amount in Dollars equal to (i) \$1.875 billion *minus* (ii) the Estimated Net Indebtedness Amount *minus* (iii) the Estimated Expenditure Adjustment Amount.”

⁶ The description of the terms of the Stalking Horse Purchase Agreement set forth in this Term Sheet is for summary purposes only and qualified in all respects by the terms of the Stalking Horse Purchase Agreement.

	the Purchaser upon the closing under the Purchase Agreement (as defined below).
Sale Transaction Process	<p>As described in the Stalking Horse Purchase Agreement, the Stalking Horse Sale Transaction shall be conducted pursuant to section 363 of the Bankruptcy Code and be subject to higher or better offers in accordance with the bidding procedures approved by the Bankruptcy Court on February 17, 2015 [Docket No. 472] (the “<u>Bidding Procedures</u>”). The successful bidder (the “<u>Purchaser</u>”) at the conclusion of the auction (if held), which may be the Stalking Horse Purchaser, shall enter into and consummate the purchase agreement (the “<u>Purchase Agreement</u>”) with the Company for the Sale Assets (the “<u>Sale Transaction</u>”).</p> <p>In the event the Stalking Horse Sale Transaction is not the Sale Transaction consummated pursuant to the auction, the alternative sale transaction that is approved by the Court shall be deemed, for the purposes hereof, as the “<u>Alternative Sale Transaction</u>.”</p> <p>The Sale Order shall provide that (i) any and all claims against NIU shall continue to exist and be asserted against the Selling Debtor, which entity shall receive the net proceeds of the Sale Transaction following the consummation of the Sale Transaction, and (ii) the chapter 11 case of NIU shall be dismissed.</p> <p>The Sale Transaction shall be consummated on or before September 30, 2015, subject to the terms and conditions of the Stalking Horse Purchase Agreement or the Purchase Agreement (as applicable).</p>

III. Settlement and Compromise Incorporated into the Plan

Estate Causes of Action	<p>“<u>Estate Causes of Action</u>” shall mean any and all Claims or causes of action that could be asserted (x) against any of the Debtors by any other Debtor or (y) against any non-Debtor subsidiary of the Company by any of the Debtors, in each case, including, without limitation, (i) pursuant to chapter 5 of the Bankruptcy Code (the “<u>Avoidance Claims</u>”) or (ii) seeking the recharacterization of intercompany obligations.</p>
-------------------------	--

<p>Transferred Guarantor Claims</p>	<p>“<u>Transferred Guarantor Claims</u>” shall mean any Claims or causes of action arising under the indentures governing the 2016 and 2019 Capco Notes in connection with the transfers of the equity interests of McCaw, Mercosur and NIU that occurred in 2009 and 2010, and the purported release of the guarantees by McCaw, Mercosur, NIU, and Airfone of the 2016 and 2019 Capco Notes.</p>
<p>Settlement and Compromise</p> <ul style="list-style-type: none"> • Avoidance Claims 	<p>The Plan shall contain and effect a compromise and settlement (the “<u>Settlement</u>”) of all Estate Causes of Action and all Transferred Guarantor Claims pursuant to section 1123(b)(3) and Rule 9019 of the Federal Rules of Bankruptcy Procedure, subject to the processes set forth below under the section below entitled “Settlement Procedures”.</p> <p>In consideration for the release and waiver of the Estate Causes of Action and the Transferred Guarantor Claims, the Plan shall provide as follows:</p> <p>The Avoidance Claims shall include all causes of action that could be asserted against any of the Debtors or any non-Debtor by another Debtor, pursuant to chapter 5 of the Bankruptcy Code, including, but not limited to, Claims to avoid the following:</p> <ul style="list-style-type: none"> • The guarantee by Holdings of the Luxco Notes; • The subordination to the Luxco Notes obligations of a \$644 million (plus accrued interest) (the “<u>Capital Note</u>”) payable by Luxco to Capco; • Holdings’ release and/or transfer of approximately \$900 million of intercompany receivables, including approximately \$614 million of receivables that were owed to it by Nextel Telecomunicações Ltda. and transferred to Luxco on or about February 28, 2013; and • The release by Services and Holdings of approximately \$93 million in intercompany receivables owed to them by Nextel del Peru S.A. <p>The Settlement will result in the recoveries to creditors of the various Debtors being calculated as if 25% of each of the foregoing transfers was avoided. Such recoveries pursuant to the Settlement will be in full satisfaction of any and all potential recoveries that could have been included as part of</p>

	<p>the Avoidance Claims, regardless of whether such Claims are identified above or have been asserted.</p>
<ul style="list-style-type: none"> Recharacterization of Intercompany Claims (other than the Capital Note) 	<p>Pursuant to the Settlement, the recoveries to creditors of the various Debtors will be calculated as if 25% of each of the intercompany obligations existing between a Debtor and another Debtor or between a non-Debtor subsidiary of the Company and a Debtor (the “<u>Intercompany Claims</u>”) outstanding as of the commencement of the Chapter 11 Cases (the “<u>Petition Date</u>”) are recharacterized as equity, with the remaining 75% of such obligations treated as unsecured debts against the obligors of such intercompany obligations. For the avoidance of doubt, the Capital Note will be treated as a debt obligation in its entirety, but the claim with respect to the subordination of the Capital Note shall be resolved pursuant to the Settlement of the Avoidance Claims.</p> <p>Intercompany obligations arising after the Petition Date that are owing to the Debtors by any non-Debtor subsidiary shall be paid by the applicable reorganized Debtor pursuant to the terms and conditions of the particular transaction giving rise to such obligations.</p>
<ul style="list-style-type: none"> Transferred Guarantor Claims 	<p>The Settlement will result in the recoveries to holders of the Transferred Guarantor Claims being calculated as if 21% of each Transferred Guarantor’s guarantees of the 2016 and 2019 Capco Notes remained in place (the product of such percentage and \$1,357.8 million, or \$285,129,687.50, the “<u>Allowed TG Claims Amount</u>”).</p>
<ul style="list-style-type: none"> Impact of Settlement on Recoveries 	<p>The impact of the Settlement of each of the Estate Causes of Action and the Transferred Guarantor Claims on the recoveries by holders of the Notes shall be based upon the waterfall model previously agreed upon between the Plan Proponents and the Requisite Consenting Noteholders solely for the purposes of the Settlement (the “<u>Waterfall Model</u>”). The recoveries pursuant to the Settlement will be in full satisfaction of any and all potential recoveries that could have been included as part of the Estate Causes of Action or the Transferred Guarantor Claims, regardless of whether such Claims are identified above or have been asserted.</p> <p>The Settlement described herein is a global settlement of any and all causes of action (asserted and unasserted) between and among the parties to the Settlement with respect to the Debtors and their estates. In the event the Settlement is not approved and the Plan is not confirmed, the parties expressly</p>

	<p>reserve any and all claims and defenses available to them, including the right to assert or to oppose any individual claim.</p> <p>For the avoidance of doubt, the treatment of the Luxco Notes shall be in no way impacted by any calculations based on the Waterfall Model and shall only be governed by the treatment and adjustment mechanisms specifically outlined in this Term Sheet.</p>
Settlement Procedures	<p>On December 12, 2014, Scott W. Winn was appointed to serve as class C manager (the “<u>Independent Manager</u>”) of the board of managers of NII Holdings International S.à r.l. (the “<u>Board of Managers</u>”), the sole manager of NII International Telecom S.C.A., to evaluate the reasonableness of the Settlement. The appointment of the Independent Manager was approved by the Court on December 11, 2014 [Docket No. 293] (the “<u>IM Stipulation</u>”). In connection therewith, the Independent Manager retained Quinn Emanuel Urquhart & Sullivan, LLP to assist him in performing the duties set forth in the IM Stipulation.</p> <p>On February 25, 2015, the Independent Manager confirmed the reasonableness of and determined to recommend to the Board of Managers (in connection with International Holdings’ capacity as sole manager of Luxco) that Luxco should join the Settlement.</p> <p>A meeting of the applicable board of directors or managers of Holdings and Capco and of the Board of Managers with respect to Luxco was held to authorize Holdings, Capco and Luxco to approve the Settlement and enter in to the Plan Support Agreement, and the respective boards of directors or managers and the Board of Managers granted such authorization.</p>

IV. Plan Treatment:

<u>Class of Claim or Interest</u>	<u>Amount of Allowed Claims (estimated)</u> ⁷	<u>Treatment of Claim or Interest</u>
Administrative Expense Claims	-	The Debtors (or, if applicable, the applicable Debtors, as reorganized pursuant to the confirmed Plan (the “ <u>Reorganized Debtors</u> ”; Holdings, as so reorganized, “ <u>Reorganized Holdings</u> ”)) shall pay to each holder of an allowed administrative expense claim (an “ <u>Administrative Expense Claim</u> ”), on account of and in full and complete settlement, release and discharge of such claim, cash equal to the full unpaid amount of such allowed Administrative Expense Claim, which payments shall be made on either (a) the latest to occur of (i) the effective date of the Plan (the “ <u>Effective Date</u> ”) (or as soon as practicable thereafter), (ii) the date such claim becomes an allowed Administrative Expense Claim, and (iii) such other date as may be agreed upon by the Reorganized Debtors and the holder of such claim, or (b) on such other date as the Bankruptcy Court may order.
Priority Tax Claims	-	Unless otherwise agreed to by the Debtors (with the consent of each of the Requisite Consenting Noteholders, such consent not to be unreasonably withheld, conditioned or delayed) and the holder of an allowed priority tax claim (a “ <u>Priority Tax Claim</u> ”) (in which event such other agreement will govern), each holder of an allowed Priority Tax Claim against any of the Debtors that is due and payable on or before the Effective Date shall receive, on account of and in full and complete settlement, release and discharge of such claim, cash equal to the amount of such allowed Priority Tax Claim on the later of (i) the Effective Date (or as soon as practicable thereafter) and (ii) the date such Priority Tax Claim becomes an allowed claim, or as soon as practicable thereafter. All allowed Priority Tax Claims against any of the Debtors which are not due and payable on or before the Effective Date shall be paid in the ordinary course of business by the Reorganized Debtors in accordance with the terms

⁷ Unless otherwise set forth herein and except for undetermined unliquidated Claims, disputed Claims and Claims arising from the Debtors’ rejection of contracts or leases, the amount of Claims shall be reasonably acceptable to the Debtors (following consultation with the Committee) and each of the Requisite Consenting Noteholders in comparison to the estimates set forth in this Term Sheet.

		thereof.
Priority Non-Tax Claims	\$130,000	On or as soon after the Effective Date as practicable, unless otherwise agreed to by the Debtors (with the consent of each of the Requisite Consenting Noteholders, such consent not to be unreasonably withheld, conditioned or delayed) and the holder of an allowed priority non-Tax Claim (a “ <u>Priority Non-Tax Claim</u> ”) (in which event such other agreement will govern), each holder of an allowed Priority Non-Tax Claim against the Debtors shall receive on account of and in full and complete settlement, release and discharge of such claim, at the Debtors’ election (following consultation with the Committee and with the consent of each of the Requisite Consenting Noteholders, such consent not to be unreasonably withheld, conditioned or delayed), (i) cash in the amount of such allowed Priority Non-Tax Claim in accordance with section 1129(a)(9) of the Bankruptcy Code and/or (ii) such other treatment required to render such claim unimpaired pursuant to section 1124 of the Bankruptcy Code. All allowed Priority Non-Tax Claims against the Debtors which are not due and payable on or before the Effective Date shall be paid by the Reorganized Debtors when such Claims become due and payable in the ordinary course of business in accordance with the terms thereof.
Other Secured Claims	\$45,000	On or as soon after the Effective Date as practicable, secured Claims against the Debtors (“ <u>Other Secured Claims</u> ”), if any, shall receive the following treatment at the option of the Plan Proponents (with the consent of each of the Requisite Consenting Noteholders, such consent not to be unreasonably withheld, conditioned or delayed): (i) reinstatement of any such allowed Other Secured Claim pursuant to section 1124 of the Bankruptcy Code; (ii) payment in full (in cash) of any such allowed Other Secured Claims; (iii) satisfaction of any such allowed Other Secured Claim by delivering the collateral securing any such allowed Other Secured Claims and paying any interest required to be paid under section 506(b) of the Bankruptcy Code; or (iv) providing such holders with such treatment in accordance with section 1129(b) of the

		Bankruptcy Code as may be determined by the Bankruptcy Court.
Holders of Capco Note Claims against Holdings and the Capco Debtors	\$2,858.1 million (in the aggregate)	In full and final satisfaction of the allowed Capco Note Claims against Holdings and the Capco Debtors, each holder of such Claims shall receive its pro rata share of: (A) 29.61% of the Plan Distributable Value (such amount, the “ <u>Capco Distributable Value Allocation</u> ”), subject to upward adjustment, as described below, based on the receipt of Net Overbid Proceeds (if any), which shall be comprised of (i) the Capco Stock Allocation (as defined below), subject to dilution by the MIP Shares (as defined below) and (ii) the Capco Cash Allocation (as defined below); and (B) the amount of Cash equal to the reasonable and documented fees and expenses of the indenture trustees for the applicable Capco Notes outstanding as of the Effective Date (as to which it is anticipated that each indenture trustee will exercise its contractual lien rights prior to distribution).
Capco General Unsecured Claims ⁸	\$675,000	Unless otherwise agreed to by the Plan Proponents (with the consent of each of the Requisite Consenting Noteholders, such consent not to be unreasonably withheld, conditioned or delayed) and the holder of an allowed Capco General Unsecured Claim (in which event such other agreement will govern), all holders of allowed Capco General Unsecured Claims, including Claims under contracts and unexpired leases rejected by Capco under the Plan (or under a separate motion) and trade payables, but excluding allowed Convenience Class claims as described below, shall receive the treatment to be determined by the Plan Proponents with the consent of each of the Requisite Consenting Noteholders, such consent not to be unreasonably withheld, conditioned or delayed. ⁹ The Plan Proponents shall reserve all rights to challenge the legal basis and amount of any Capco General

The term for all of the other directors who shall be in Class II shall expire at the annual meeting of stockholders to be held in 2017. At the 2017 Annual Meeting of Stockholders, and each annual meeting of stockholders thereafter, each director shall be elected for a term expiring at the next annual meeting of stockholders and until such director's successor is elected and qualified, or such director's earlier resignation or removal. The stockholders acting by the affirmative vote of the holders of a majority of the voting power of the outstanding Voting Stock, voting together as a single class, are also authorized to make, alter, amend or repeal the Bylaws of the Corporation.

B. The Corporation shall not be governed by or subject to Section 203 of the Delaware General Corporation Law.

C. Subject to the rights of the holders of any series of Preferred Stock:

(1) any action required or permitted to be taken by the stockholders of the Company may be taken at a duly called annual or special meeting of stockholders of the Company or without a meeting by means of any consent in writing of such stockholders; and

(2) special meetings of stockholders of the Company may be called by the secretary upon the written request of the chairman of the Board or chief executive officer at any time and shall be called by the secretary upon the request in writing of not less than a majority of the Board of Directors, or of stockholders holding, beneficially or of record, not less than thirty-three percent (33%) of the Common Stock of the Corporation issued and outstanding and entitled to vote, where beneficial ownership for these purposes may be established by any method prescribed by Rule 14a-8(b)(2) under the Securities Exchange Act of 1934, as amended, or any successor provision (without giving effect to any minimum threshold or duration of ownership limitation therein).

For the purposes of this Certificate of Incorporation, "Voting Stock" means stock of the Company of any class or series entitled to vote generally in the election of Directors.

SEVENTH:

A. To the fullest extent permitted by the Delaware General Corporation Law as it now exists and as it may hereafter be amended, no director shall be personally liable to the Corporation or any of its stockholders for monetary damages for breach of any fiduciary or other duty as a director, provided that this provision shall not eliminate or limit the liability of a director (1) for any breach of the director's duty of loyalty to the Corporation or its stockholders, (2) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, (3) under Section 174 of the Delaware General Corporation Law, or (4) for any transaction from which the director derived an improper personal benefit.

B. The rights and authority conferred in this Article SEVENTH shall not be exclusive of any other right that any person may otherwise have or hereafter acquire.

C. Neither the amendment, alteration or repeal of this Article SEVENTH, nor the adoption of any provision inconsistent with this Article SEVENTH, shall adversely affect any right or protection of a director of the Corporation existing at the time of such amendment, alteration or repeal with respect to acts or omissions occurring prior to such amendment, alteration, repeal or adoption.

D. Any person who was or is a party or is threatened to be made a party to or is involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative and whether by or in the right of the Corporation or otherwise (a "proceeding"), by reason of the fact that he or she, or a person of whom he or she is the legal representative, is or was a director or officer of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee, partner (limited or general) or agent of another corporation or of a partnership, joint venture, limited liability company, trust or other enterprise, including service with respect to an employee benefit plan, shall be (and shall be deemed to have a contractual right to be) indemnified and held harmless by the Corporation (and any successor to the Corporation by merger or otherwise) to the fullest extent authorized by, and subject to the conditions and (except as provided herein) procedures set forth in the Delaware General Corporation Law, as the same exists or may hereafter be amended (but any such amendment shall not be deemed to limit or prohibit the rights of indemnification hereunder for past acts or omissions of any

such person insofar as such amendment limits or prohibits the indemnification rights that said law permitted the Corporation to provide prior to such amendment), against all expenses, liabilities and losses (including attorneys' fees, judgments, fines, ERISA taxes or penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by such person in connection therewith; provided, however, that the Corporation shall indemnify any such person seeking indemnification in connection with a proceeding (or part thereof) initiated by such person only if such proceeding (or part thereof) was authorized by the Board of Directors of the Corporation. Persons who are not directors or officers of the Corporation and are not serving at the request of the Corporation may be similarly indemnified in respect of such service to the extent authorized at any time by the Board of Directors of the Corporation. The indemnification conferred in this Clause D shall also include the right to advancement by the Corporation of any and all expenses (including attorneys' fees) incurred in the defense of or other involvement in any proceeding in advance of its final disposition; provided, however, that the advancement of expenses (including attorneys' fees) incurred by a person in advance of the final disposition of a proceeding shall be made only upon delivery to the Corporation of an undertaking by or on behalf of such person to repay all amounts so paid in advance if it shall ultimately be determined that such director or officer is not entitled to be indemnified under this Clause D.

(b) For business to be properly requested by a stockholder to be brought before an annual meeting, (i) the stockholder must be the holder, beneficially or of record, of shares, (ii) the stockholder must be entitled to vote at such meeting (either directly or through a proxy or beneficial interest), and (iii) the stockholder must have given timely notice thereof in proper written form to the secretary of the Corporation. Except as otherwise provided by law, to be timely, a stockholder's notice must be delivered to or mailed and received by the secretary of the Corporation at the principal executive offices of the Corporation not less than 75 calendar days prior to the anniversary of the preceding year's annual meeting of stockholders; *provided, however*, that if there was no annual meeting in the preceding year or the date of the annual meeting is advanced more than 30 calendar days prior to, or delayed by more than 30 calendar days after the anniversary of the preceding year's annual meeting, notice by the stockholder to be timely must be so delivered not later than the close of business on the later of the 45th calendar day prior to such annual meeting or the 10th calendar day following the day on which public disclosure of the date of such meeting is first made. In no event shall the public disclosure of an adjournment of an annual meeting commence a new time period for the giving of a stockholder's notice as described above. To be in proper written form, a stockholder's notice to the secretary of the Corporation must set forth (A) as to each matter the stockholder

proposes to bring before the annual meeting: (1) a description in reasonable detail of the business desired to be brought before the annual meeting; and (2) the text of the proposal or business (including the text of any resolutions proposed for consideration and, if the business includes a proposal to amend these bylaws or the Certificate of Incorporation, the language of the proposed amendment); and (B) as to each stockholder giving the notice and any Stockholder Associate (as defined below): (1) the name and address of the stockholder and the name and address of any Stockholder Associate; (2) a representation that at least one of these persons is a holder of record or beneficially of securities of the Corporation entitled to vote at the meeting and intends to remain so through the date of the meeting and to appear in person or by proxy at the meeting to present the business stated in the stockholder's notice; (3) the class, series and number of any securities of the Corporation that are owned of record or beneficially by any of these persons as of the date of the stockholder's notice; (4) a description of any material interests of any of these persons in the business proposed and of all agreements, arrangements and understandings between these persons and any other person (including their names) in connection with the proposal of the business by the stockholder; (5) a description of any proxy, contract, arrangement, understanding or relationship pursuant to which any of these persons has a right to vote any shares of any securities of the Corporation; (6) a description of any derivative positions related to any class or series of securities of the Corporation owned of record or beneficially by the stockholder or any Stockholder Associate; (7) a description of whether and the extent to which any hedging, swap or other transaction or series of transactions has been entered into by or on behalf of, or any other agreement, arrangement or understanding (including any short position or any borrowing or lending of securities) has been made, the effect or intent of which is to mitigate loss to, or manage risk of stock price changes for, or to increase the voting power of, the stockholder or any Stockholder Associate with respect to any securities of the Corporation; and (8) a representation that after the date of the stockholder's notice and until the date of the annual meeting, each of these persons will provide written notice to the secretary of the Corporation as soon as practicable following a change in the number of securities of the Corporation held as described in response to subclause (3) above that equals 1% or more of the then-outstanding shares of the Corporation, and/or entry, termination, amendment or modification of the agreements, arrangements or understandings described in response to subclause (6) above that results in a change that equals 1% or more of the then-outstanding shares of the Corporation or in the economic interests underlying those agreements, arrangements or understandings; and (C) a representation as to whether the stockholder giving notice and any Stockholder Associate intends, or intends to be part of a group that intends: (1) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Corporation's outstanding capital stock required to approve or adopt the proposal; and/or (2) otherwise to solicit proxies from stockholders in support of the proposal.

For purposes of this Section 2.8 and Section 3.3 hereof, (x) "public disclosure" means disclosure in a press release reported by the Dow Jones News Service, Associated Press, Reuters, Bloomberg or comparable national news service or in a document filed by the Corporation with the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934 (the "Exchange Act") or furnished by the Corporation to its stockholders and (y) "Stockholder Associate" of any stockholder means (1) any person controlling, directly or indirectly, or acting in concert with, the stockholder; and (2) any beneficial owner of securities of the Corporation owned of record or beneficially by the stockholder. Notwithstanding the foregoing provisions of this Section 2.8, in order to include information with respect to a stockholder proposal in the Corporation's proxy statement and form of proxy for a meeting of stockholders, a stockholder must provide notice as required by, and otherwise comply with, all of the applicable requirements of Rule 14a-8 under the Exchange Act (or any comparable successor rule or regulation).

Nothing in this Section 2.8 will be deemed to affect any rights of stockholders to request inclusion of proposals in the Corporation's proxy statement pursuant to Rule 14a-8 under the Exchange Act (or any comparable successor rule or regulation).

(c) At a special meeting of stockholders, only such business may be conducted or considered as is properly brought before the meeting. To be properly brought before a special meeting (subject to Section 2.3(g) in the case of a Stockholder Requested Special Meeting), business must be (i) specified in the notice of the meeting (or any supplement thereto) given in accordance with these bylaws or (ii) otherwise properly brought before the meeting in accordance with these bylaws, by the presiding officer of the meeting or by or at the direction of a majority of the entire Board.

(d) The determination of whether any business sought to be brought before any annual or special meeting of stockholders is properly brought before such meeting in accordance with this Section 2.8 will be made by the presiding officer of such meeting.

Section 2.9 Action Without a Meeting. Unless otherwise restricted by the Certificate of Incorporation or these bylaws, any action required or permitted to be taken at any meeting of the stockholders may be taken without a meeting, if stockholders having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted consent in writing or by electronic transmission, provided that prompt notice must be given to all stockholders of the taking of corporate action without a meeting by less than unanimous written consent.

ARTICLE III DIRECTORS

Section 3.2 Election and Term. Directors shall be elected for terms as set forth in the Certificate of Incorporation and in the manner provided in Section 3.4 hereof at the annual meeting of the stockholders.

Section 3.3 Nominations.

In no event shall the public disclosure of an adjournment of an annual meeting commence a new time period for the giving of a stockholder's notice as described above.

(d) To be in proper written form, a stockholder's notice pursuant to this Section 3.3 must set forth or include:

(i) as to each person who is not an incumbent director of the Corporation whom the stockholder proposes to nominate for election as a director, (A) the name, age, business address and residence address of such person; (B) the principal occupation or employment of such person; (C) the class, series and number of securities of the Corporation that are owned of record or beneficially by such person; (D) the date or dates the securities were acquired; (E) any other information relating to such person that is required to be disclosed in solicitation for proxies or election of directors pursuant to Regulation 14A under the Exchange Act (or any comparable successor rule or regulation); and (F) a representation that such person meets the qualifications to serve as a director of the Corporation.

Section 3.4 Majority Voting in Director Elections. Each director to be elected by stockholders shall be elected as such by the vote of the majority of the votes cast by stockholders for that director at a meeting for the election of directors at which a quorum is present, except that if the number of nominees exceeds the number of directors to be elected, the directors shall be elected by the vote of a plurality of the shares represented in person or by proxy at any such meeting. For purposes of this Section 3.4, a "majority of votes cast" shall mean that the number of shares voted "for" a director's election exceeds the number of votes cast "against" that director's election.

Section 3.5 Vacancies. In the case of any vacancy on the Board of Directors, including a vacancy created by an increase in the number of directors, the vacancy may be filled by the Board of Directors, acting by a majority of the remaining directors then in office, although less than a quorum, or by a sole remaining director or by stockholders acting by the affirmative vote of the holders of a majority of the voting power of all of the shares of capital stock of the Corporation then entitled to vote generally in the election of directors, voting together as a single class. Any director appointed to fill a vacancy shall be appointed until the next succeeding annual meeting of stockholders (or for the remainder of the term for the applicable class of directors for so long as the Board is divided into classes) and thereafter until such director's successor is elected and qualified or such director earlier resigns or is removed.

Section 3.6 Removal. Subject to the rights of holders of preferred stock (if any) with respect to any directors elected by the holders of such preferred stock, any director, or the entire Board of Directors, may be removed from office at any time, with or without cause (except that so long as the Board of Directors is divided into classes, directors may be removed only for cause), by the affirmative vote of the holders of a majority of the voting power of all of the shares of capital stock of the Corporation then entitled to vote

generally in the election of directors, voting together as a single class.

Section 3.7 General Powers. The business and affairs of the Corporation shall be managed by or under the direction of its Board of Directors which may exercise all such powers of the Corporation and do all such lawful acts and things as are not by the DGCL or by the Certificate of Incorporation or by these bylaws directed or required to be exercised or done by the stockholders. The Board of Directors may adopt such special rules and regulations for the conduct of its meetings and the management of the affairs of the Corporation as the Board of Directors may deem proper, not inconsistent with law or these bylaws.

Section 3.8 Regular Meetings. Regular meetings of the Board of Directors may be held without notice at such time, on such date and at such place (if any), within or without the State of Delaware, as shall from time to time be determined by the Board of Directors.

Section 3.9 Special Meetings. Special meetings of the Board of Directors may be called by the chairman of the Board, the chief executive officer, or by the secretary upon the written request of two directors. Notice of the place (if any), date and time of each such special meeting shall be given to each director on one day's notice to each director, either personally, by mail, by telegram or by electronic transmission.

Section 3.10 Quorum. At all meetings of the Board of Directors, a majority of the directors then in office shall constitute a quorum for the transaction of business and the act of a majority of the directors present at any meeting at which there is a quorum shall be the act of the Board of Directors, except as may be otherwise specifically provided by the DGCL or by the Certificate of Incorporation. If a quorum is not present at any meeting of the Board of Directors, the directors present thereat may adjourn the meeting from time to time without notice other than announcement at the meeting, until a quorum is present.

Section 3.11 Action Without Meeting. Unless otherwise restricted by the Certificate of Incorporation or these bylaws, any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting, if all members of the Board or committee, as the case may be, consent thereto in writing or by electronic transmission, and the writing or writings, or, if the consent action is taken by electronic transmission, paper reproductions of such electronic transmission or transmissions, are filed with the minutes or proceedings of the Board or committee.

Section 3.12 Participation in Meetings by Remote Communication. Unless otherwise restricted by the Certificate of Incorporation or these bylaws, members of the Board of Directors, or any committee designated by the Board of Directors, may participate in a meeting of the Board of Directors, or any committee, by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and such participation in a meeting shall constitute presence in person at the meeting in accordance with Section 8.6.

Section 3.13 Committees. There shall be such committees of the Board of Directors as the Board of Directors may, by resolution passed by a majority of the whole Board, designate. Each committee shall consist of one or more directors of the Corporation. The board may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of such committee. Any such committee shall have such power and authority as may be conferred by a

resolution of the board of directors; provided, however, that no such committee shall have the power and authority of the board of directors with respect to amending the Certificate of Incorporation, adopting an agreement of merger or consolidation, recommending to the stockholders the sale, lease or exchange of all or substantially all of the Corporation's property and assets, recommending to the stockholders a dissolution of the Corporation or a revocation of a dissolution, amending the bylaws of the Corporation, or declaring a dividend or authorizing the issuance of stock (other than in connection with a stock option or other management equity incentive plan, which plan has been approved by the Corporation's board of directors). Such committee or committees shall have such name or names as may be determined from time to time by resolution adopted by the board of directors.

Section 3.14 Committee Meetings, Procedures and Minutes. Each committee shall keep regular minutes of its meetings and report the same to the Board of Directors when required.

ARTICLE IV NOTICES

Section 4.1 Notice. Whenever, under the provisions of the DGCL or of the Certificate of Incorporation or of these bylaws, notice is required to be given to any director or stockholder, it shall not be construed to mean personal notice, but such notice may be given in writing, by mail addressed to such director or stockholder at his address as it appears on the records of the Corporation with postage thereon prepaid and such notice shall be deemed to be given at the time when the same shall be deposited in the United States mail. Notice to directors and stockholders may also be given by facsimile, by telephone or by a form of electronic transmission consented to by the director or stockholder to whom the notice is given.

Section 4.2 Waiver. Whenever any notice is required to be given under the provisions of the DGCL or of the Certificate of Incorporation or of these bylaws, a waiver thereof in writing, signed by the person or persons entitled to such notice, or a waiver by electronic transmission by the person entitled to the notice, in each case, whether before or after the time of the event for which the notice is given, shall be deemed equivalent to such notice. Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened.

ARTICLE V OFFICERS

Section 5.1 Generally. The officer positions in the Corporation shall consist of such as may from time to time be designated by the Board of Directors and the officers to fill same shall be chosen by the Board of Directors. ARTICLE VI CAPITAL STOCK

Section 6.1 Certificates. The shares of capital stock of the Corporation shall be represented by certificates, provided that the Board of Directors may provide by resolution or resolutions that some or all of any or all classes or series of stock shall be uncertificated shares. Any such resolution shall not apply to shares represented by a certificate until such certificate is surrendered to the Corporation. Notwithstanding the adoption of such a resolution by the Board of Directors, to the extent required by the DGCL, every holder of shares of stock in the Corporation represented by certificates, and upon request every holder of uncertificated shares, shall be entitled to have a certificate or certificates, signed by or in the name of the Corporation by the president or a vice-president and the secretary or an assistant secretary of the Corporation, certifying the number of shares owned by such holder in the Corporation. Any or all of the signatures on the certificates may be facsimiles.

Section 6.2 Transfer.

(a) Upon surrender to the Corporation or the transfer agent of the Corporation of a certificate for shares duly endorsed or accompanied by proper evidence of succession, assignment or authority to transfer, the Corporation shall issue a new certificate to the person entitled thereto, cancel the old certificate and record the transaction upon its books or, if such shares may be represented in uncertificated form pursuant to a resolution adopted by the Board of Directors, record such transaction upon its books as an issuance of uncertificated shares to the person entitled thereto, unless such person requests a certificate or certificates, in which case such person shall be entitled to have a certificate or certificates in accordance with Section 6.1.

(b) Transfers of shares of stock represented by certificates shall be made upon the books of the Corporation only by the record holder of such stock, in person or by duly authorized attorney, upon the surrender of the certificate or certificates for the same number of shares, properly endorsed. The Corporation is entitled for all purposes to treat the record holder as the owner of such stock, notwithstanding any knowledge of the Corporation to the contrary. The Board of Directors shall have the power to make all such rules and regulations, not inconsistent with the Certificate of Incorporation, these bylaws and the DGCL, as the Board

of Directors may deem appropriate concerning the issue, transfer and registration of certificates for stock of the Corporation. The Board of Directors may appoint one or more transfer agents or registrars of transfers or both, and may require all stock certificates to bear the signature of either or both.

Persons who are not directors or officers of the Corporation and are not so serving at the request of the Corporation may be similarly indemnified in respect of such service to the extent authorized at any time by the Board of Directors of the Corporation. The indemnification conferred in this Section 7.1 shall also include the right to advancement by the Corporation of any and all expenses (including attorneys' fees) incurred in the defense of or other involvement in any such proceeding in advance of its final disposition; provided, however, that the advancement of expenses (including attorneys' fees) incurred by a person in advance of the final disposition of a proceeding shall be made only upon delivery to the Corporation of an undertaking by or on behalf of such person to repay all amounts so paid in advance if it shall ultimately be determined that such person is not entitled to be so indemnified under this Section 7.1.

Section 7.2 Non-Exclusivity of Rights. **DECLARATION OF SCOTT W. WINN,

IN SUPPORT OF THE MOTION OF DEBTORS AND DEBTORS
IN POSSESSION FOR AN ORDER PURSUANT TO SECTIONS 105(a)
AND 363(b) OF THE BANKRUPTCY CODE AUTHORIZING THEM
TO ENTER INTO AND PERFORM UNDER A PLAN SUPPORT AGREEMENT**

I, Scott Winn, being duly sworn, state the following under penalty of perjury:

1. Pursuant to Court order dated December 11, 2014, I was appointed a Class C Manager (the “Independent Manager”) to the board of managers (the “Board of Managers”) of Debtor NII International Holdings S.à r.l. (“International Holdings”), sole manager of Debtor NII International Telecom S.C.A. (“International Telecom”, and with International Holdings, “LuxCo”). I was delegated the power to undertake the “Settlement Matters” as defined in the So-Ordered Stipulation Regarding the Appointment and Scope of the Independent Manager for

¹ The Debtors are comprised of the following thirteen entities (the last four digits of their respective U.S. taxpayer identification numbers follow in parentheses): NII Holdings, Inc. (1412); Nextel International (Services), Ltd. (6566); NII Capital Corp. (6843); NII Aviation, Inc. (6551); NII Funding Corp. (6265); NII Global Holdings, Inc. (1283); NII International Telecom S.C.A. (7498); NII International Holdings S.à r.l. (N/A); NII International Services S.à r.l. (6081); Airfone Holdings, LLC (1746); Nextel International (Uruguay), LLC (5939); McCaw International (Brazil), LLC (1850); and NII Mercosur, LLC (4079). The location of the Debtors’ corporate headquarters and the Debtors’ service address is: 1875 Explorer Street, Suite 800, Reston, VA 20190.

NII International Telecom S.C.A. [Docket No. 293] (as amended, the “So-Ordered Stipulation”).²

2. I am a senior managing director at Zolfo Cooper, with more than 25 years of professional experience in finance, operations, and strategy, specializing in distressed and underperforming companies, with expertise covering a wide array of industries, including energy, airline, restaurant, health care, retail, telecommunications, financial services, manufacturing, and other service sectors. Throughout my career, I have worked on high-profile public-record bankruptcies and restructurings involving from \$100 million to more than \$65 billion in assets. Prior to joining Zolfo Cooper in 2001, I was a partner with Deloitte & Touche in reorganization services. I began my career with J. Henry Schroder Bank & Trust. I have a B.S. in business from Georgetown University.

3. I make this Declaration in support of the Motion of Debtors and Debtors in Possession for an Order Pursuant to Sections 105(a) and 363(b) of the Bankruptcy Code Authorizing Them to Enter Into and Perform Under a Plan Support Agreement (the “Motion”). Except as otherwise noted, I have personal knowledge of the matters set forth herein.

The Independent Manager’s Charge

4. Pursuant to the So-Ordered Stipulation, the Independent Manager is to review the Settlement and recommend to the Board of Managers that it cause International Telecom to (i) join in the Settlement or (ii) not join in the Settlement (the “Determination”). The So-Ordered Stipulation provides that I report my Determination by February 27, 2015.

² All capitalized terms used but otherwise not defined herein shall have the meanings set forth in the So-Ordered Stipulation.

The Independent Manager's Analysis

5. Since my appointment, with the assistance of my retained professionals – Zolfo Cooper and Quinn Emanuel – I, among other things, met and communicated on multiple occasions with the primary parties in interest and their respective advisors, including the Debtors, the Committee, the Ad Hoc Committee of LuxCo Holders, the indenture trustee for the bonds issued by International Telecom, Capital Research and Management Co., and Aurelius Capital Management, LP. I and my professionals reviewed materials provided by the parties, met with current and former officers and managers of the Debtors at their headquarters in Reston, Virginia, reviewed over 15,000 documents produced by the Debtors, including privileged LuxCo documents, and conducted extensive financial and legal analysis of the claims that are the subject of the Settlement (the “Claims”).

6. At certain meetings with the parties in interest, I provided preliminary feedback concerning my view of the merits of the Settlement from the perspective of LuxCo. I believe that this informal feedback was the impetus for the revisions to the Settlement, which revisions result in significantly more value to LuxCo.

7. Because the LuxCo Notes are paid in full (principal and pre-petition accrued interest), the additional value inures to the benefit of NII Capital Corp. (“CapCo”) on account of an intercompany note LuxCo owes to CapCo. In turn, the proceeds of that note are distributed to the holders of notes issued by CapCo *pro rata*.

The Independent Manager's Determination

8. On February 25, 2015, the Board of Managers convened in Luxembourg and I delivered my Determination with respect to the Settlement, as modified subsequent to the date of my appointment.

9. I determined it to be in LuxCo's best interests to enter into the Settlement. The Settlement distributes value in a manner consistent with my assessment of the strengths and weaknesses of the Claims, both with regards to the ultimate impact to LuxCo, including with respect to every stakeholder thereof (debt, subordinated debt and equity).

10. In addition to my view of the strengths and weaknesses of the Claims, my Determination was based on the practical benefits of settlement as opposed to the inherent uncertainties, expense, and potential value destruction of protracted litigation.

11. My professional opinion today is no different than it was on February 25, 2015. The Settlement is in the best interests of LuxCo and LuxCo's entry into the PSA, in this regard, is a sound exercise of business judgment.

I declare under penalty of perjury that the foregoing is true and correct.

**DECLARATION OF HOMER PARKHILL
IN SUPPORT OF THE MOTION OF DEBTORS AND DEBTORS
IN POSSESSION FOR AN ORDER PURSUANT TO SECTIONS 105(a)
AND 363(b) OF THE BANKRUPTCY CODE AUTHORIZING THEM TO
ENTER INTO AND PERFORM UNDER A PLAN SUPPORT AGREEMENT**

I, Homer Parkhill, being duly sworn, state the following under penalty of perjury:

1. I am a Managing Director at Rothschild Inc. ("Rothschild"), a financial advisory services and investment banking firm which has its principal office at 1251 Avenue of the Americas, 33rd Floor, New York, New York 10020. Rothschild has been retained by the Debtors as their financial advisor and investment banker in these chapter 11 cases. I make this Declaration in support of the *Motion of Debtors and Debtors in Possession for an Order Pursuant to Sections 105(a) and 363(b) of the Bankruptcy Code Authorizing Them to Enter Into and Perform Under a Plan Support Agreement* (the "Motion").² Except as otherwise noted, I have personal knowledge of the matters set forth herein.

¹ The Debtors in the jointly administered bankruptcy cases are comprised of the following fourteen entities (the last four digits of their respective U.S. taxpayer identification numbers follow in parentheses): NII Holdings, Inc. (1412); Nextel International (Services), Ltd. (6566); NII Capital Corp. (6843); NII Aviation, Inc. (6551); NII Funding Corp. (6265); NII Global Holdings, Inc. (1283); NII International Telecom S.C.A. (7498); NII International Holdings S.à r.l. (N/A); NII International Services S.à r.l. (6081); Airfone Holdings, LLC (1746); Nextel International (Uruguay), LLC (5939); McCaw International (Brazil), LLC (1850); NII Mercosur, LLC (4079); and NIU Holdings LLC (5902). The location of the Debtors' corporate headquarters and the Debtors' service address is: 1875 Explorer Street, Suite 800, Reston, VA 20190.

² All capitalized terms used but otherwise not defined herein shall have the meanings set forth in the Motion.

2. I have over sixteen years of investment banking experience. I have experience leading restructuring, refinancing, and mergers and acquisitions engagements across a variety of industries. My company side experience includes representing AMR Corp. (American Airlines), US Steel Canada, OGpar, Arcapita Bank B.S.C.(c), Corporación GEO, Promotora de Informaciones S.A., Tronox Incorporated, Vitro SAB, Controladora Comercial Mexicana SAB, Electrical Components International, Strategic Hotels & Resorts, Verasun, Centaur Gaming, Hilex Poly, Doral Financial, Tecumseh Products Company, APW, Inc., Innovative Communications Corporation, Wolverine Tube, International Wire Group, Corporation Durango, Comdisco, Inc., Viasystems, SANLUIS Corporacion, and Atlantic Express Transportation Corporation. I also have represented creditor constituencies in various restructuring transactions including OGX Petróleo e Gás Participações S.A. (OGX), DirectBuy, FGIC, Foxwoods Resorts, Truvo, General Growth Properties, and Protection One. I joined Rothschild in 2001. I received a Master of Business Administration degree with a concentration in finance and a Bachelor of Arts degree in Political Science from the University of Texas at Austin.

**The Negotiations that Ultimately
Led to the Prior PSA and, Later, the PSA**

3. I have been responsible for Rothschild's support of the Debtors in their efforts to reach an agreement with their key creditors regarding a restructuring of their obligations for over a year – both prior and subsequent to the filing of the Debtors' bankruptcy cases – and have been at the center of the related negotiations.

4. In summary, the current Plan Support Agreement (the "PSA"), and the material terms of the proposed restructuring of the Debtors pursuant to a chapter 11 plan of reorganization (the "Plan") as set forth in the Plan Term Sheet annexed to the PSA (the "Plan"),

Term Sheet") are the result of months of intense and continuous negotiations between the Debtors and various parties in interest that began in March 2014, six months prior to the commencement of the majority of these cases on September 15, 2014 (the "Petition Date"). Those efforts initially led to the Debtors' entry into the prior plan support agreement on November 24, 2014 (the "Prior PSA"). Due to evolving circumstances — namely, the sale of the Debtors' operations in Mexico to an affiliate of AT&T — the Prior PSA was terminated and renewed negotiations commenced between the Debtors, their major creditors and the Official Committee of Unsecured Creditors (the "Creditors' Committee"). Both the renewed negotiations and the negotiations leading to the Prior PSA involved an active, frequent and cooperative dialogue with various holders of Notes (the "Holders") and their respective professionals over the key components of the Debtors' restructuring and the Holders' respective due diligence efforts. These efforts have culminated in the Debtors' entry into the PSA with support from Holders of Capco Notes and Luxco Notes exceeding the requisite amounts required for plan acceptance from all classes of claims arising from such Notes at all applicable Debtors and with the Creditors' Committee as a co-proponent of the Plan.

The Negotiation of the Prior PSA and the Debtors' Proposed Restructuring

5. The Debtors determined in early 2014 that they would not have sufficient cash to continue making interest payments on the Notes while continuing to fund the capital expenditures and operational needs of certain of the Debtors' non-debtor affiliates (the "Non-Debtor Affiliates"). In February 2014, entities managed by Capital Research and Management Company (collectively, "Capital Group") organized an ad hoc group of Holders largely comprised of Holders of the Luxco Notes, but which also included some Holders of the Capco Notes (the "Cross-Holder Group") to commence negotiations with the Debtors in anticipation of

a restructuring. The Cross-Holder Group retained Paul, Weiss, Rifkind, Wharton & Garrison LLP as legal advisor and Houlihan, Lokey, Howard & Zukin, Inc. as financial advisor.

6. About a month later, after sending a letter alleging several legal claims, some of which now constitute the Potential Litigation Claims,² entities managed by Aurelius Capital Management, LP (collectively, "Aurelius") organized an ad hoc group of Holders of the Capco Notes (the "Capco Group") and retained Akin Gump Strauss Hauer & Feld LLP as legal advisor and Blackstone Advisory Partners, L.P. as financial advisor.

7. Prior to filing these cases, in the spring and summer of 2014, the Debtors actively engaged in good-faith negotiations with both the Cross-Holder Group and the Capco Group in an attempt to reach a global restructuring deal. From almost the outset, these negotiations were complicated by, among other things, allegations regarding certain intercompany transactions between and among the Debtors and between and among the Debtors and certain of the Non-Debtor Affiliates that are now the subject of the Potential Litigation Claims.

8. In order for the Debtors' various competing creditor constituencies to understand the scope and complexity of both the Debtors' business, including current operations and expected future financial performance, as well as the Potential Litigation Claims, the advisors for the Cross-Holder Group and the Capco Group were provided with access to a data room containing a voluminous body of information and documentation relating to the Debtors'

² The Potential Litigation Claims are allegations regarding certain intercompany transactions between and among the Debtors and between and among the Debtors and certain of the Debtors' non-debtor affiliates (the "Non-Debtor Affiliates"). The Potential Litigation Claims fall into three principal categories: (a) claims arising from certain alleged fraudulent transfers between Debtors or between a Debtor and a Non-Debtor Affiliate (the "Avoidance Claims"); (b) claims related to the recharacterization of certain intercompany liabilities as equity (the "Recharacterization Claims"); and (c) claims related to an alleged violation of the indentures governing the Capco 2016 Notes and Capco 2019 Notes caused by the transfer of equity interests of the Transferred Guarantors from NII Global Holdings, Inc. and the purported release of the Transferred Guarantors' guarantees of the Capco 2016 Notes and Capco 2019 Notes (the "Transferred Guarantor Claims").

and the Non-Debtor Affiliates' operations. In addition, the Debtors, Rothschild, McKinsey Recovery & Transformation Services U.S., LLC, Alvarez & Marsal North America, LLC and Jones Day, counsel to the Debtors, responded to, and participated in numerous meetings regarding, extensive diligence requests from such advisors. To facilitate such discussions, Rothschild also worked with other professionals and principals to develop a financial "waterfall" model that ultimately was adopted by all parties for negotiation and settlement discussion purposes. In addition, numerous in-person meetings were held at the offices of Rothschild and Jones Day in New York with various professionals and representatives of the Cross-Holder Group and the Capco Group, and the parties engaged in highly frequent communications via telephone and email over the terms of a potential restructuring in the months leading up to the Petition Date. I, personally, participated in numerous in-person meetings and hours of conference calls with representatives of the Cross-Holder Group and the Capco Group over the course of the summer of 2014.

9. In addition, in June 2014, in an accommodation to individual Holders, the Debtors agreed to publicly disclose, or "blow out," over 60 individual documents including the Debtors' multi-year business plan by August 15, 2014 to enable Holders to become restricted from trading in the Notes for a limited period of time and become more fully informed with respect to the Debtors' business operations and the facts surrounding the Potential Litigation Claims in an effort to facilitate the negotiation of the Debtors' restructuring.

10. Finally, leading up to the Petition Date, various restructuring constructs and term sheets were exchanged between the parties with a view towards potentially achieving a consensual resolution that would have allowed the Debtors to commence pre-packaged or pre-arranged chapter 11 cases.

11. Several days before the Petition Date, the Debtors, Aurelius and Capital Group were in the process of finalizing a term sheet and plan support agreement that would have (a) preserved the Potential Litigation Claims to be resolved until after the effective date of a plan, (b) reserved a significant part of plan distributions pending resolution of the Potential Litigation Claims and (c) allowed the Debtors to quickly proceed through these chapter 11 cases in order to preserve their diminishing liquidity. This has since been referred to as the "All Reserve Plan." However, when it became clear that negotiations could not be concluded prior to the expiration of a 30-day grace period for a required interest payment under certain of the Notes, the Debtors determined to commence these chapter 11 cases in order to complete the negotiation of, and propose and confirm, a chapter 11 plan of reorganization.

12. Shortly before the Petition Date, a group of Holders of the Luxco Notes split from the Cross-Holder Group, formed their own ad hoc group (the "Luxco Group") and retained separate legal and financial advisors, namely Kirkland & Ellis LLP and Millstein & Co., L.P. The Debtors acted quickly to agree to non-disclosure agreements with the retained professionals for this newly constituted group to provide them full access to the data room and related due diligence materials related to the Debtors' business as well as the Potential Litigation Claims. I and members of the Rothschild team spent numerous hours, both in-person and over the phone, with these professionals shortly after they became restricted to allow them to come up to speed as quickly as possible on the complex issues in these chapter 11 cases, including the Potential Litigation Claims, as well as to share Rothschild's waterfall model.

13. Extensive negotiations among the Debtors, the Creditors' Committee and various creditor groups had continued in the several months from the Petition Date to the filing of the Prior PSA. There were numerous in-person meetings, in addition to highly frequent email

and telephone communications with the various groups of Holders and their respective professionals. The Debtors had been negotiating, with the help of both Rothschild and Jones Day, simultaneously, but separately, with (a) Aurelius, (b) the Luxco Group and (c) Capital Group. The Debtors, with the assistance of the Luxco Group's advisors, also reached out to Holders of the Capco 2021 Notes, who either engaged in the process or opted not to do so. These negotiations included the exchange of multiple plan term sheets and settlement proposals. All groups were made aware that the Debtors were pursuing simultaneous negotiation tracks, and this approach garnered significant concessions from all parties toward a deal more favorable to, and inuring to the ultimate benefit of, the Debtors' estates as a whole.

14. Upon its formation, the Creditors' Committee was informed of the background and current status of the parallel negotiations and has been continually apprised of the same throughout these cases. The professionals representing the Creditors' Committee, Kramer Levin Naftalis & Frankel LLP and FTI Consulting, have been intimately involved in analyzing the Potential Litigation Claims and have joined the Debtors in their efforts to broker a negotiated resolution of the Potential Litigation Claims and other economic terms of a restructuring that could lead to a confirmable chapter 11 plan. The role of the Creditors' Committee in attempting to broker a deal and facilitate due diligence has been particularly important given that the members of the Creditors' Committee represent a cross-section of Holders, as well as other important unsecured creditor constituencies in the Debtors' bankruptcy cases.

The Selection of the Prior PSA

15. After what had then been approximately nine months of negotiations and in light of the then-prevailing circumstances, the NII Holdings board of directors (the "Board")

determined, with advice from Jones Day and Rothschild, that the Prior PSA — the agreement reached with Capital Group and Aurelius, among other major creditor constituencies, and that had the support of the Creditors' Committee — represented the best path forward. In analyzing and comparing the plan term sheet accompanying the Prior PSA (the "Prior Plan Term Sheet") to other restructuring proposals, Rothschild conducted multiple working sessions with the advisors and principals of Aurelius, Capital Group and the Luxco Group, as well as advisors to the Creditors' Committee, both at its offices and at Jones Day, to assist parties in understanding the workings of a financial waterfall model, including the impact on plan distributions based on the waterfall model that would flow from a variety of potential outcomes if some or all of the Potential Litigation Claims were litigated to conclusion. These discussions also considered the impact that the creation of a litigation reserve relating to the Potential Litigation Claims would potentially have on creditor recoveries in these cases.

16. The Board considered these facts and others regarding the relative benefits and risks of the Prior Plan Term Sheet compared to alternative proposals that had been proposed, and on November 24, 2014, the Board approved the Debtors' entry into the Prior PSA.

17. To memorialize their respective commitments to support the Prior Plan Term Sheet, Capital Group, Aurelius and the Creditors' Committee, among other creditors, entered into the Prior PSA on November 24, 2014.

The Appointment of the Independent Manager

18. Though the Prior PSA had the support of Capital Group and Aurelius, collectively, at that time, holders of approximately 66% of the Capco Notes and 36% of the Luxco Notes, ATC and the Creditors Committee, the Debtors were well aware that the Prior PSA and the settlement contained therein still did not have the support of the Luxco Group.

19. Accordingly, on December 11, 2014, and in accordance with the Prior PSA and Prior Plan Term Sheet, the Debtors, with the support of the Creditors' Committee, Aurelius, Capital Group and the Luxco Group, stipulated their agreement to appoint Scott W. Winn as independent manager for Luxco (the "Independent Manager") to evaluate and advise the managers of Luxco (the "Board of Managers") regarding the reasonableness of the settlement of the Potential Litigation Claims (and as subsequently revised, the "Proposed Settlement") to Luxco and to determine following an evaluation period whether to recommend that Luxco join in the Proposed Settlement. I attended several in-person meetings with the Independent Manager and his advisors in order to facilitate the Independent Manager's evaluation process.

The Sale and Renewed Negotiations Leading to the PSA

20. On January 26, 2015, the Debtors announced a significant development in the case — an agreement to sell NII Mexico for \$1.875 billion to an affiliate of AT&T (the "Sale Transaction"), which was the product of extensive marketing efforts undertaken by the Debtors with the assistance of Rothschild.

21. Because the Sale Transaction represented a significant departure from the economics and structure that were the basis for the Prior Plan Term Sheet and the Prior Plan, the Debtors determined to exercise the Debtors' right to terminate the Prior PSA on January 25, 2015. Immediately thereafter, the Debtors through their advisors Jones Day and Rothschild, reengaged with the Debtors' major stakeholders in an effort to gain support for consensual modifications to the Prior Plan that would allow the Debtors to emerge from chapter 11.

22. On January 26, 2015, the same day that the sale of NII Mexico was announced, Capital Group, Aurelius and the Creditors' Committee stipulated to support the Sale Transaction. Shortly thereafter, on January 29, 2015, I participated in a meeting among certain

of the key creditor groups, including the Luxco Group's advisors and principals. Soon after this meeting emerged the outline of an agreement in principle on the key economic terms of the Debtors' restructuring. I participated in communications that ensued immediately thereafter to forge consensus among the parties regarding these key economic terms, which ultimately was reached in mid-February 2015. Negotiations regarding ancillary issues pertaining to the Debtors' restructuring continued for several more weeks and, at times, had the potential of jeopardizing the agreement on the key economic terms of the Debtors' restructuring, thereby delaying the announcement of the PSA until March 5, 2015.

23. To facilitate such discussions, Rothschild worked with other professionals and principals to update the financial waterfall model, which again was adopted by all parties for negotiation and settlement discussion purposes. I, personally, spent dozens of hours communicating and interacting with representatives of Capital Group, Aurelius, Luxco Group and the Creditors' Committee negotiating the final agreed terms of the PSA and Plan Term Sheet.

24. The key terms of the PSA and the Plan Term Sheet, and key differences as compared to the Prior PSA and Prior Plan Term Sheet, are as follows. The PSA:

- (a) provides improved recoveries over the Prior PSA for all Capco and Luxco Noteholders in the following approximate amounts (see Plan Term Sheet; Prior Plan Term Sheet):
 - (i) Capco 2016 Noteholders - \$41 million (or 11% over the Prior Plan);³
 - (ii) Capco 2019 Noteholders - \$24 million (or 11% over the Prior Plan);
 - (iii) Capco 2021 Noteholders - \$169 million (or 63% over the Prior Plan);

³ The figures in this sub-clause (i) and the subsequent sub-clauses (ii) through (v) have been calculated before taking into account the rights offering contemplated under the Prior Plan. Taking into account such rights offering, these improved recoveries and percentages are as follows: \$40 million, or 10%, for the Capco 2016 Noteholders; \$23 million, or 10%, for the Capco 2019 Noteholders; \$139 million, or 47%, for the Capco 2021 Noteholders; \$117 million, or 14%, for the Luxco 11.375% Noteholders; and \$88 million, or 14%, for the Luxco 7.875% Noteholders.

- (iv) Luxco 11.375% Noteholders - \$89 million (or 10% over the Prior Plan);
- (i) Luxco 7.875% Noteholders - \$68 million (or 10% over the Prior Plan);
- (a) encompasses a full and final settlement of the Potential Litigation Claims to the benefit of all stakeholders (see Plan Term Sheet);
- (b) secures Consenting Noteholder support of the Sale Transaction (PSA § 4.01);
- (c) permits the Debtors' entry into an exit financing agreement sourced from the marketplace, subject to certain conditions (PSA § 7.01(f)); and
- (d) eliminates \$4.35 billion in debt from the Debtors' balance sheet (see Plan Term Sheet).

And, unlike the Prior PSA, the PSA:

- (a) provides not only improved recoveries, as noted above, but also recoveries that include cash distributions (see Plan Term Sheet);
- (b) permits postpetition financing pending the closing of the Sale Transaction (see Plan Term Sheet);
- (c) reduces recoveries to holders of Transferred Guarantor Claims, which are now being calculated as if 21% (as opposed to 27.5% under the Prior PSA) of each Transferred Guarantor's guarantees of the Capco 2016 and Capco 2019 Notes remained in place (see Plan Term Sheet; Prior Plan Term Sheet); and
- (d) has the support of the Luxco Group (see PSA).

25. The Plan Term Sheet also incorporates the terms of a \$350 million first priority debtor-in-possession loan (the "Bridge Loan"), which was being negotiated concurrently with the PSA and Plan Term Sheet and will provide incremental liquidity to ensure both that the Sale Transaction will close and that the Debtors will have sufficient liquidity in the event of any unforeseen regulatory delays. As set forth in the Bridge Loan term sheet dated March 5, 2015, attached as Exhibit A to the Plan Term Sheet, the members of the Luxco Group committed to provide 65% of the Bridge Loan, with Capital Group and Aurelius providing 20.56% and 14.44% of the Bridge Loan, respectively.

26. Further, in consideration of the extent of the Requisite Consenting Noteholders' support of the Plan, which exceeds the 66⅔ threshold in all classes of claims arising from the Notes at all of the applicable Debtors, it is my understanding that the Requisite Consenting Noteholders required as an essential element of the PSA that the Debtors agree to pay their professional fees (subject to certain limitations). In light of the robust level of support by Capital Group, Aurelius, and Luxco Group and their extensive efforts in furtherance thereof, the Debtors determined, in their business judgment, that payment of these constituencies' professional fees was reasonable and highly beneficial to their estates under the circumstances. Accordingly, after further negotiations with the professionals on the terms of their respective payments, such payments are provided for in the PSA as an obligation of the Debtors, subject to certain limits and conditions.

27. Ultimately, the Debtors concluded that the Plan Term Sheet represents the best path forward, not only because it is supported by the Creditors' Committee, which is a co-proponent of the Plan (together with the Debtors, the "Plan Proponents"), and important creditor constituencies comprising holders of over 70% in amount of the Capco Notes and approximately 72% in amount of the Luxco Notes, but also, importantly, because it has advantages over other constructs that had been considered by the Debtors and other creditor groups in the negotiations that had taken place over the course of nearly a year. For example, the Plan Term Sheet:

- contemplates the complete and final settlement of the Potential Litigation Claims, eliminating the cost and delay of litigating those claims to conclusion and the risk that key amendments with the Debtors' local lenders in Brazil would begin to unravel or lead to defaults before such litigation could be resolved;⁴

⁴ The lenders with which the Debtors and NII Brazil have reached agreements are Banco do Brasil S.A. ("BdB") and Caixa Econômica Federal ("Caixa"), NII Brazil's two major local lenders, and China Development Bank Corp. ("CDB"). The amendments to the agreements with BdB and Caixa, which provide covenant and other relief that are necessary for the Debtors' successful reorganization, may not become effective if the Debtors fail to meet certain requirements, including their emergence from chapter 11 by September 15, 2015. Similarly, the amendment reached with CDB is dependent upon the Debtors'

- represents significant concessions by the Luxco Group, including the relinquishment of the right to receive (i) a greater proportion of their recoveries from the cash proceeds of the Sale Transaction, (ii) potential accrued postpetition interest on their claims and (iii) any additional recovery on account of their claims in the event of a higher and better bid that exceeds the Plan Distributable Value (as defined in the Plan Term Sheet);
- provides for the prompt distribution to Holders of their full entitlement to equity in Reorganized NII without restrictions or delay due to holding some or all of such equity in reserve as would be necessary if the Potential Litigation Claims were to be litigated;
- permits postpetition financing pending the closing of the Sale Transaction;
- allows the reorganized Debtors to seek market-tested exit financing, which would allow them to raise exit capital with less cost, at better rates and on better terms; and
- perhaps most significantly, is subject to the PSA, to which the Luxco Group is now a party, and is supported by a supermajority of the Debtors' creditors with respect to every class of claims arising from all series of Notes.

28. On February 25, 2015, the Independent Manager stated his recommendation to the Board of Managers to cause Luxco to join the Proposed Settlement and execute the PSA. On February 27, 2015, the board of directors of Capco also approved Capco's entry into the PSA.

29. After considering, among other things, the facts and opinions noted above, on March 5, 2015, the Board approved the Debtors' entry into the PSA with Aurelius, Capital Group and the Luxco Group and the Creditors' Committee.

30. In conclusion, it is my professional opinion that the Debtors' entry into the PSA, and the payment of professional fees thereunder, is a sound exercise of their business judgment and provides the Debtors with their best chance of confirming a chapter 11 plan and emerging from these chapter 11 cases as a viable business enterprise.

ability to provide CDB with a guarantee, upon emerging from chapter 11, by September 30, 2015. Accordingly, the failure of the Debtors to emerge from bankruptcy by September 15, 2015 could cause NII Brazil to be in default of or lose certain concessions with respect to such lending and credit agreements.

I declare under penalty of perjury that the foregoing is true and correct.
